

# **CRIMINAL JUSTICE DEGREES AT THE COMMUNIVERSITY**

**Bachelor's Degrees and Certificates in Criminal Justice**

## **CRIMINAL JUSTICE BS**

**Offered by New Jersey City University.**

The Criminal Justice BS combines professional studies in the fields of criminal justice with studies in security. The degree program is designed for individuals who are either involved in the fields of criminal justice, juvenile justice and security, or those who seek careers in these fields. This is the only criminal justice program in New Jersey that has undergone a satisfactory Program Review by the Academy of Criminal Justice Sciences.

**BA DEGREE- 128 CREDITS**

## **CRISIS MANAGEMENT AND CRIMINAL JUSTICE PRACTICES CERTIFICATE**

**Offered by Rutgers, The State University of New Jersey**

This 21-credit certificate program is open to all students who have satisfactorily completed at least 45 credits at Rutgers or at other colleges. It is geared to motivated individuals who are seeking career preparation and professional advancement in law enforcement, corrections, crisis intervention protocols and techniques, triage and threat assessment strategies, juvenile justice policies and programs, forensic mental health, criminalistics and homicide investigation, victim assistance and advocacy, interviewing and interrogation techniques, political counter-terrorism, family violence policies and programs, and futuristic trends and predictions for all components of the criminal justice system.

**CERTIFICATE- 54 CREDITS**

## **FIRE SCIENCE BS**

**Offered by New Jersey City University.**

The Fire Science Program is the only university-based bachelor's degree program

in the State of New Jersey. This progressive, student-centered program is designed specifically to maximize student-learning, professional success, and career advancement. The curriculum is composed of courses recognized as pertinent for the comprehensive development of today's firefighter.

### **GLOBAL STUDIES CERTIFICATE**

**Offered by Rutgers, The State University of New Jersey.**

This 18-credit certificate program is designed to prepare you for a career in the new and challenging post-cold war global arena. You will be presented with the latest developments on the evolving issues concerning the European Union, international business and foreign investment. You will be challenged to grapple with such critical problems as the outsourcing of American jobs, the effects of global warming on the economy, combating terrorism, and how easy and inexpensive travel has increased the threat of global epidemics. This certificate program is geared to motivated individuals who are seeking career preparation and professional advancement in international studies.

**CERTIFICATE - 18 CREDITS**

### **PROFESSIONAL SECURITY BS**

**Offered by New Jersey City University.**

The Security Program is designed to make education convenient for individuals already working in homeland security, criminal justice and corporate security, as well as those seeking careers in related fields such as customs and transportation security management.

**BS DEGREE- 128 CREDITS**

**Master's Degrees in  
Criminal Justice**

### **PROFESSIONAL SECURITY MS**

**Offered by New Jersey City University.**

This master's program prepares students at the graduate level and allows students to specialize in three distinct areas:

■ National Security:

Develop the ability to analyze the global complexities and implications of National Security policy, procedures, and operations.

■ Corporate Security:

Develop your ability to analyze and synthesize organizational continuity, emergency response and risk management policy and procedures.

■ Information Assurance/Cyber Security:

Develop the ability to analyze and apply principles of information assurance/cyber security.
