

# Freehold CONNECTION

Two Brookdale students, both of whom call the Freehold Branch Campus home, are recipients of Gilman Scholarships for Spring 2012 study abroad. The Benjamin A. Gilman International Scholarship Program offers grants for U.S. citizen undergraduate students of limited financial means to pursue academic studies abroad. Such international study is intended to better prepare U.S. students to assume significant roles in an increasingly global economy and interdependent world:

**Jeffrey Lara** of Howell, NJ will be studying at Edgehill University in Ormskirk, England for the Spring 2012 semester. Jeffrey is an English Major with interests in script and screenwriting. Jeff has served as the federal work study student for the Student Success Center in Freehold this Fall.

**Holly McKay** of Howell, NJ will be studying at the Universidad San Ignacio de Loyola in Lima, Peru in Spring 2012. Holly, a Business major, will be taking courses in Business and Spanish. Holly has been a fixture in the SSC this fall as she used our tutoring and testing services as well as counseling and other support.

**Congratulations to both Jeff and Holly!**
