

# **BROOKDALE COMMUNITY COLLEGE**

## **Governance Workshop**

### **Interview Questions**

1. Tell me about a time when you felt stimulated by your participation in governance.

-What was the high point for you?

-How were you included and how did you contribute to what was happening?

-How did you know your voice was heard?

-What affect did your participation have on your feelings about your work?

2. Without being humble, what do you value about yourself as a member of Brookdale? What about the college do you value?

3. Looking ahead five years, governance is the best is can be. What does that look like?
