

LEADERSHIP BROOKDALE

A Professional Development Program of Brookdale Community College

APPLICATION

page 1 of 2

Leadership Brookdale is a dynamic professional development program for all members of Brookdale's community who are in a leadership position; aspire to be in a leadership position, and for those who would like to augment those skills that make for effective leaders.

All members of the College who have completed 2 or more years of continuous full time employment may apply for admission. Each class consists of 12 to 15 members. Leaders from Brookdale and other organizations present a variety of leadership workshops that provide exposure to the specific skills identified in the Leadership Development Model.

The Leadership Brookdale program will run from October until May. Members will meet one Friday per month from 12:30pm - 4:00pm. A graduation ceremony is held in May. Following graduation (on a date to be determined), members will reconvene to present evidence of the application of skills developed in the program. This is accomplished through oral or written presentation, or contributions to a leadership anthology.

Please note: It is recommended that applicants be nominated by a member of the President's Cabinet. However, self nomination is permitted. Please see your respective department Cabinet member to request nomination. Cabinet members have the nomination forms or they can be obtained from Kelli Sanders. Applications may also be found on the Human Resources webpage. Select Intranet for Employees, then search HR Forms and Links. Applicants must notify their supervisor that they are applying to this program.

In order for Leadership Brookdale to accomplish its goals and for member outcomes to be achieved, the full participation of each individual is needed. A commitment to 100% attendance will be asked of all members who participate. To apply, complete and return this application to Kelli Sanders, Leadership Brookdale Coordinator, SLC 102. For more information email ksanders@brookdaleecc.edu or call x2774.
