

NURSING DEGREES AT THE COMMUNIVERSITY

**Bachelor's Degrees in
Nursing**

FASTTRACK BSN

Offered by New Jersey City University

The FastTrack BSN program is an innovative educational opportunity for bachelor's degree graduates to transition into the nursing role in only 12 months. Interested individuals with bachelor's degrees who have completed the required prerequisite courses are invited to apply to the program. Once admitted, students will take the courses that qualify them to take the licensing examination to become a registered nurse (RN).

BSN DEGREE - 63 CREDITS

NURSING BS

Offered by Rutgers, The State University of New Jersey.

This degree is for registered nurses with either AAS degrees or hospital school diploma to increase their career potential while attending classes part time. Classes are offered on line or in the evenings at the Western Monmouth Branch Campus. Courses requiring laboratory facilities are offered at the Brookdale campus in Lincroft.

BS DEGREE - 126 CREDITS

SCHOOL NURSE CERTIFICATE

Offered by Rutgers, The State University of New Jersey.

This certificate program is designed for professional registered nurses who wish to be certified in school nursing in the State of NJ. Certification is offered as a post-baccalaureate program for registered nurses with a BA, BS or BSN and/or as a minor for registered nurses pursuing a baccalaureate degree.

CERTIFICATE - 31 CREDITS

**Master's Degrees and
Certificates in Nursing**

NURSING MS

Offered by Rutgers, The State University of New Jersey.

This program is for RN's with a Bachelor's

degree in Nursing and prepares students to be advanced-practice nurses, such as nurse practitioners and clinical nurse specialists. The curriculum includes core coursework and seven specialty clinical concentration options. All core coursework is offered on line. Specialty courses in the clinical concentration are offered in Newark or on line.

**MS DEGREE - CREDITS VARY BY SPECIALTY
SCHOOL NURSE GRADUATE CERTIFICATE
Offered by New Jersey City University.**

In response to the growing demand for certified school nurses, the Health Science Department offers a graduate program in school nurse certification that leads to state certification. Completion of this program, approved by the New Jersey State Department of Education meets the requirements for the standard Educational Services Certificate Endorsement as a Certified School Nurse. This endorsement authorizes the holder to perform nursing services and to teach in areas related to health in public schools in grades pre-K to 12. Applicants must hold a current NJ Registered Nurse license and a bachelor's degree from an accredited college or university.

CERTIFICATE - 32 CREDITS
