

Brookdale holds Halloween event

MIDDLETOWN: Brookdale Community College will hold its annual Halloween-themed "Chemistry Carnival" from noon to 3 p.m. Oct. 18 in the Navesink rooms of the campus' Warner Student Life Center.

According to a release from the college, children

will participate in several hands-on demonstrations and activities, conducted by students from Brookdale, Monmouth University, High Technology High School and Ocean Township High School.

The carnival is free, but all attending are asked to bring a can of food to donate to local food banks.

Brookdale is located at 765 Newman Springs Road.
