

“CHANGING CLIMATE: CHANGING WEATHER”

EXHIBITION at Monmouth Museum’s Becker Children’s Wing, Brookdale CC, Newman Springs Rd., Lincroft, through July 2012.

Explore the history of weather and climate change through an in-depth look at the greenhouse effect and Earth’s current challenge of global warming. Visit a virtual weather TV station, learn about climate change around the world in a Weather Planetarium program, and make a work of art from recycled materials in the “Green Arts Studio.” For information, call (732) 747-2266.
