

December 19, 2006

Dear Student:

Your Pinning date is fast approaching and I know you must be excited about this very special event. Please arrive at the Performing Arts Center by 5PM. We will orient you to the sequencing of the ceremony at this time. So that Pinning goes smoothly, please be on time. You may bring your family/friends with you.

In order to ensure pinning reflects the highest standards of professional excellence, the dress for the Pinning ceremony is the white program uniform pants or skirt, a white blouse or knit shirt and white work shoes. **Students who do not adhere to the above guidelines will be asked to leave the ceremony. These students will not be allowed to participate in Pinning.** Please support a positive image by ensuring your clothing and accessories meet professional standards.

Congratulations on having reached this milestone and my personal best wishes for a challenging and rewarding career.

Thank you.

Sincerely,

Maris A. Lown
Director Health Sciences
