.....BROOKDALE PATHWAYS TO NEW JERSEY CITY UNIVERSITY BACCALAUREATE
PROGRAMS
DUAL ADMISSIONS PROGRAM

What does Dual Admissions mean?

- Simultaneous admittance into both Brookdale Community College and New Jersey City University
 Guaranteed entrance into a New Jersey City University Bachelor's degree program (assuming you meet the admissions requirements) after earning an Associate degree at Brookdale Community College.

What are the benefits?

- Special advising from New Jersey City University personnel while enrolled at Brookdale
- Invitation to attend New Jersey City University events related to your major while you are enrolled at Brookdale
- Ability to earn both an associate's degree and a bachelor's degree while maximizing transferability of credits
- Reserved spot in the Bachelor's degree program at New Jersey City University
- Option to follow the New Jersey City University degree requirements in place at time of Dual Admissions Program enrollment or the degree requirements in place at the time of entrance to New Jersey City University
- Waiver of application fee to New Jersey City University
- No fee to have transcripts from Brookdale sent to New Jersey City University

Who is eligible to participate?

- Any currently enrolled Brookdale student who is interested in the NJCU Communiversity programs, who is not in the last term of the Associate degree

Where will I take the New Jersey City University part of the Bachelor's degree program?

- Course are offered at the Wall Higher Education Center/Communiversity and online

What Brookdale and New Jersey City University programs are participating in the Dual Admissions program?

Brookdale Community College	New Jersey City University
A.A. Business Administration Program	B.S. Business Administration, Finance B.S. Business Administration, Management B.S. Business Administration, Marketing
A.A. Business Administration Accounting Option	B.S. Business Administration, Accounting
A.A. Education Program Elementary, Middle School and Secondary Education Option	B.A. Elementary Education, History
A.A. Education Program, Early Childhood Education Option	B.A. Early Childhood Education, History
A.S. Criminal Justice	B.S. Criminal Justice B.S. Fire Science B.S. National Security Studies (formerly B.S. Professional Security Studies)

How many credits are required?

A minimum of 128 credits is required for a Bachelor's degree at New Jersey City University. Students who are pursuing a double-major (including all education majors) are likely to need to earn more than 128 credits to satisfy the requirements of both major programs.

How many credits can I transfer to this program?

- **Communiversity programs:** All credits applicable to the Communiversity degree plans will transfer. Students who are pursuing a double-major (including all education majors) may require more than two years of full-time course work beyond the Associate degree to complete the Bachelor's degree requirements for both majors.
