

**FRCH 102**  
**ELEMENTARY FRENCH COMMUNICATION II (FRENCH IN ACTION II) (TV) (VT)**

**DESCRIPTION:** Students will view the video series "French in Action: and the addition of practice tapes, text, and teacher conferences will all combine to produce a total course. Entirely in French, each video program allows learners to see and hear dozens of native speakers interacting in familiar situations. Students learn to associate what they hear with the familiar situations they see, while learning to understand and use authentic French from the French perspective.
