

Canvas Tips for Faculty

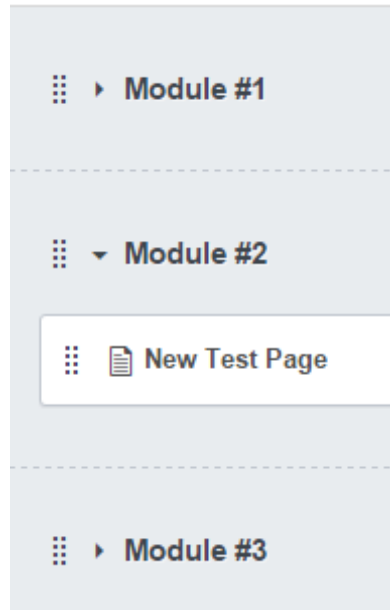

Add Assignment Modules

Canvas allows you to add assignments of any kind to your modules. This example will demonstrate how to locate a Module, select, add and publish an assignment to a Module.

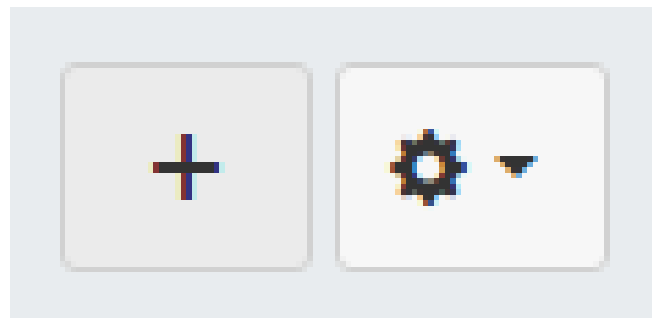

1.) Select **Modules** from the Navigation Menu on the right hand side of the screen.

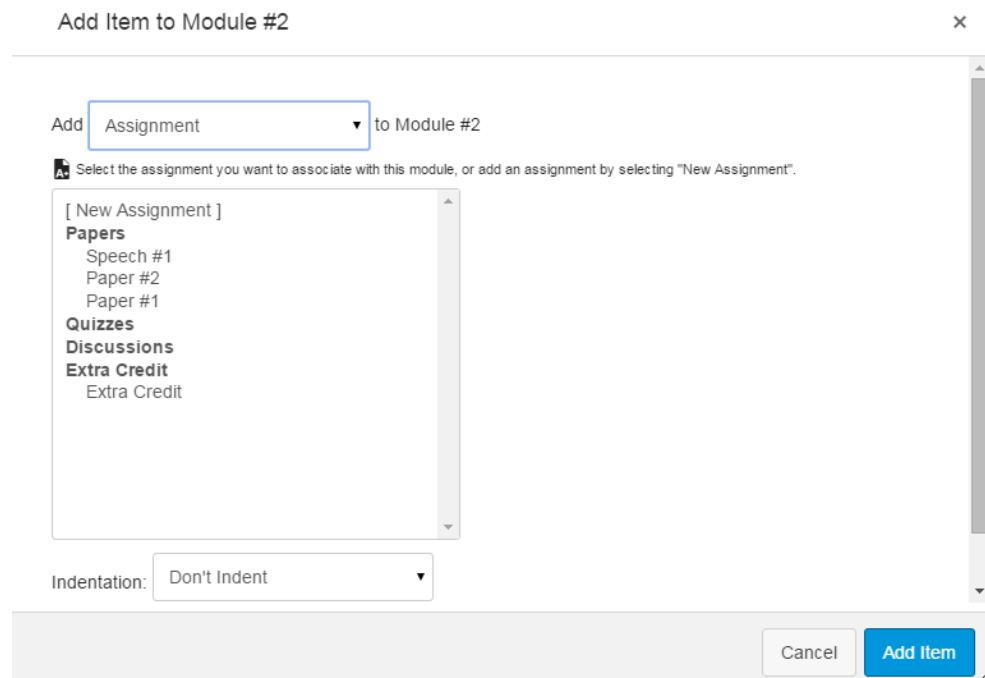

2.) Locate the **Module** that you wish to add the **Assignment** to.

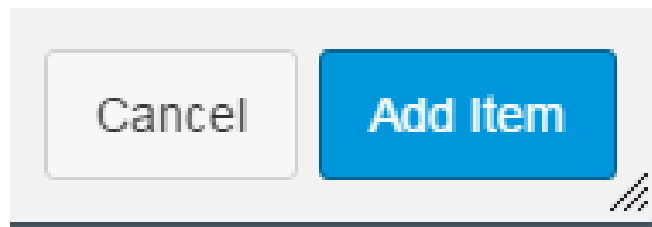

3.) Click on the “+ Button” next to the Module name.

4.) Select the **Assignment** that you wish to add from the drop-down list.

5.) Click the **Add Item** button to add the **Assignment** to the selected Module.

6.) Publish the assignment to the Module.
