## Group Assignments

---

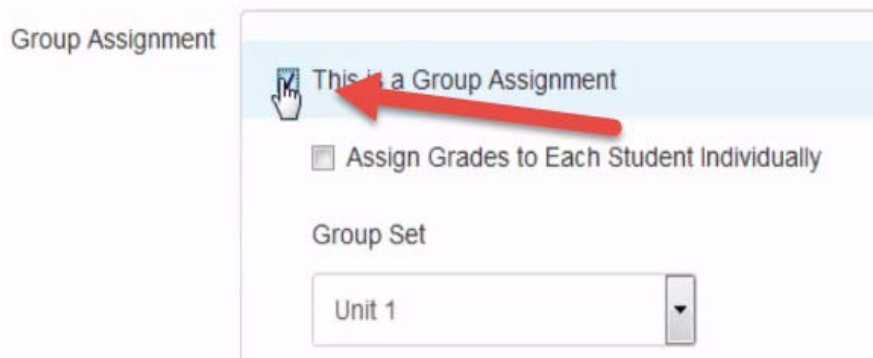

1. If you'd like your students to collaborate on assignments together you can also set up group assignments.
2. Click on **Assignments**.

3. Click on **Edit**.

4. Click the box, **This is a Group Assignment**.

5. You could choose to assign grades to each student individually or assign the same grade to all members of the group. When you're finished, click **Update Assignment**.
