To whom it may concern,

Kindly be advised that, pursuant to the laws and statutes of the State of New Jersey, Brookdale Community College is an institution of higher education that is licensed and authorized by the State to offer associate degrees and certificate programs.

The Office of the Secretary of Higher Education (OSHE), an agency of New Jersey state government, is charged with oversight of the licensure of all institutions of higher education that operate within the State, including Brookdale Community College, and assures the integrity of the programs offered and the degrees awarded by those institutions.

This letter stands in place of a formal state certified license because New Jersey does not issue a formal license to authorize the operation of institutions of higher education within the State. Kindly bring any questions, comments, or concerns to my attention via telephone at (609) 984-3738 or email at eric.taylor@oshe.nj.gov.

Thank you for your attention to this matter.

Sincerely,

Eric Taylor, Esq.
Director, Office of Licensure
Office of the Secretary of Higher Education
