**Note: Home schooled student's parent or guardian must also sign in place of a High School counselor.

765 Newman Springs Road
Lincroft, New Jersey 07738

An equal opportunity/affirmative action institution

Fast Start

An exciting pre-College program for qualified high school sophomores, juniors, seniors and home schooled students.

Fast Start Program Information

Brookdale Community College welcomes qualified high school sophomores, juniors, seniors and home schooled students, to apply to Brookdale's Fast Start Program.

The Fast Start Program allows qualified students to enroll in one or two college-level courses per term. Enrollment is subject to the guidelines of the Brookdale Community College prerequisite and co-requisite system. Fast Start students may not enroll in Honors Program courses, developmental, or support courses.

Before applying to the Fast Start Program, students should review this brochure with their parent/guardian and high school counselor for complete understanding of the program and its requirements, determination of eligibility, and application process.

Counseling, Admissions, Testing and Registration services are located on three floors in our new Counseling, Admissions and Registration (CAR) building across from parking Lot 5.

Fast Start students are considered members of the Brookdale community and have the same rights and responsibilities as all Brookdale Community College students. Fast Start students are responsible for their conduct and behavior and must understand and comply with information in all Brookdale student publications, printed and online, including the online College Catalog, the Student Handbook, important term date information, plus any official publication intended for student use.

For further information regarding the Fast Start Program at Brookdale Community College, please call Donna Cuddy, Associate Director, Transfer Resources, at 732-224-2574.

How Do Students Qualify for the Fast Start Program?

To qualify for the Fast Start Program, students must:

- Have the permission of their parent/guardian and guidance counselor (home-schooled student's parent/guardian will serve in place of a guidance counselor).
- Have completed their freshman year of high school or equivalent prior to the semester start date.
- Be at least 15 years of age prior to the semester start date.
- Submit a completed Brookdale Community College Admission Application, Fast Start Applicant Information Form and \$25 non-refundable application fee.
- Take Accuplacer (a basic skills placement test) and pass all sections or show proof of the following SAT scores:
Math SAT score of 530 waives the arithmetic and elementary algebra sections of Accuplacer; Critical Reading SAT score of 540 waives the reading comprehension and sentence skills sections.
- Satisfy all pre/co-requisites for courses as outlined at the end of each course description in the Brookdale Community College Catalog. Additional testing for courses such as language and/or upper level mathematics may be required.
- Be responsible for all costs associated with the Fast Start Program including tuition, fees, books and course materials.
- Provide their own transportation to Brookdale Community College. Fast Start students may take courses on Brookdale's Lincroft Campus, Brookdale's Western Monmouth Branch Campus or at any of Brookdale's regional locations located throughout Monmouth County.
- Maintain a minimum grade point average of 2.0 to remain/continue in the Fast Start Program.

What is the Benefit of the Fast Start Program?

The Fast Start Program gives qualified high school students the opportunity to experience college courses and prepare for the academic rigor of college. The Fast Start Program also saves students time and money. Students leave high school having already earned college credit for Brookdale Community College courses. Students can use these credits as part of their degree program at Brookdale or transfer the credits to another institution. The decision to accept courses through transfer is determined by the other institution.

*Home schooled student's parent or guardian sign in place of high school counselor and should identify themselves as such.

**Although some steps may be accomplished on the same day, more than one visit to Brookdale may be needed. Please plan accordingly.

Fast Start Program Application Procedures:

1. Mail your completed Brookdale Community College Admission Application, Fast Start Applicant Information and a \$25* non-refundable application fee to:

Brookdale Community College
765 Newman Springs Road
Lincroft, NJ 07738
ATTN: Donna Cuddy, Transfer Resources

**Enclose check payable to "Brookdale Community College"*

2. You will receive Accuplacer testing information in the mail. Please review for Accuplacer tests at <http://accuprep.pccc.edu>.

3. Complete required Accuplacer testing and call Donna Cuddy at 732-224-2574 to schedule an appointment to review Accuplacer/SAT scores and discuss next steps. Students must pass all parts of Accuplacer or show proof of required SAT scores to be eligible to enroll in Fast Start courses.

4. If eligible, you may now register for the Fast Start course(s) of your choice.

5. Pay tuition and fees associated with your Fast Start course(s).

6. Purchase textbook(s) and/or course materials required for your Fast Start course(s).

Suggested Application Deadlines: April 15th for the Summer Terms. July 1st for the Fall 15 Week Term. November 1st for the Spring 15 Week Term.
