**Reports from the Board Committees and Liaisons**

**A. Finance & Facilities Committee – June 15, 2021 –** Vice-Chair Kaufmann reported on behalf of Trustee Abby-White. He reported the following:

The Finance & Facilities Committee met on Tuesday, June 15 via Zoom under the leadership of Committee Chair Tracey Abby-White.

Engineer of Record Ray Savacool of T&M reviewed his June 7 report. There was discussion regarding replacement of a concrete slab at the softball field and completion of the soccer field bleachers, life safety lighting, CVA Roofing, and MAN building rear concrete slab projects. Additionally, the committee discussed development of the next Facilities Master Plan and decided that Mike Naparolo will report on projects being managed by the College going forward.

Vice President Manfreda reviewed her financial report for the period ending April 30. Total revenues are 9% lower than the same time last year due to a \$3.9 million decrease in tuition and fees, a 1.9% reduction in state appropriations, and \$1 million loss in CPS revenue, all directly attributed to COVID. Expenses are down 7.7% compared last year. The monthly cash balance continues to substantially exceed last year, and the College’s surplus will surpass the Board’s \$1 million goal despite the COVID-related financial challenges.

VP Manfreda reviewed the 39 recommended purchases in tonight’s Board packet, which include annual renewals, federal stimulus purchases, Chapter 12 projects, the award of Property & Liability Insurance, and the award of the Fire project. The committee recommended supporting these purchases and recommended moving the ASBCC Budget forward for approval. The ASBCC Budget is funded by student fees.

In reviewing the Auxiliary Budget, there was significant discussion about the Radio Station as a result of its projected loss in FY22. Dr. Reed explained plans to move the Radio Station and the Communication Media program under Dr. Burns to form a new Media Studies academic program which will utilize the Radio Station as a learning laboratory. VP Manfreda noted that the Radio Station will receive CARES funding next year which will reduce the projected losses and Dr. Stout noted that he is in discussions with the Commissioners about additional opportunities. There was also a discussion about the new Esports program which is housed under the Auxiliary Budget to allow for revenue generating opportunities. Projected Esports expenses are related to one-time capital costs and the budget was developed for a worst-case scenario. The Committee recommends voting on the Auxiliary Services FY22 Budget.

Dr. Stout recommended approval to Enter into an Updated Agreement with Monmouth County Vocational School District at the Culinary Education Center of Monmouth County. He described the benefits this updated agreement will bring to the College and our students. A ceremonial signing is planned for our meeting tonight.

The committee reviewed and supported a request to fill 13 positions with a net-zero gain, as well as 34 recommended HR actions to be approved by the Board tonight, including hires, changes of status, and separations.

She further reported that the budget needs to be acted upon by the end of June.</li> </ol> <p><b>C.</b> Graduate Trustee Report – Trustee Walker provided her last report. She reported that students are focusing on their summer courses and other students are excited for the fall semester. She noted that students are very eager to see the graduation video once it is posted. She attended the first NJCCC Student and Alumni Committee, whose purpose is for students and alumni to give their input about college initiatives. The committee members brought up concerns about increasing American sign language courses, the need for mental health resources, helping non-traditional students and international students acclimate to the College, decreasing textbook costs and providing food and basic products to students who need them. She will continue to keep in contact with our students and Trustee-elect Austin Smith to learn about the needs of Brookdale as she continues to serve on this new NJCCC Committee. She thanked everyone for a great past year and wished everyone much success.</p> <p><b>D.</b> Foundation report – Dr. Stout reported on behalf of Trustee Abby-White. He reported that as of the April financials, total revenue is up \$1.7 million versus \$139,000 last year. The Summer Bash is three and half weeks away and the Foundation is \$42,000 away from their fundraising goal. They are still looking for sponsorship, attendees, and journal ads.
