2.0015 Institutional Memberships

I. Title of Policy

Institutional Memberships

II. Objective of Policy

To establish the guidelines within which Brookdale Community College shall join and maintain memberships in local, state, and national organizations.

III. Authority

Bylaws of the Board of Trustees, Section 1.3034

IV. Policy Statement

In order that Brookdale Community College may best serve Monmouth County and further its professional standing in the field of education, training, and workforce development. The Board of Trustees recognizes the necessity for the College and certain of its personnel to maintain memberships in various local, state, and national organizations.

The Board of Trustees delegates to the President the authority to develop appropriate College Regulations defining general institutional memberships as well as organizations in which personnel of the College may hold membership at College expense.

The Board of Trustees may hold membership in local, state, and/or national organizations at College expense. The costs of memberships will be reviewed through the annual budget process.

V. Responsibility for Implementation
