I. Title of Regulation
   Grading System

II. Objective of Regulation
To specify a means by which a student's academic performance can be evaluated and recorded.

III. Authority
Bylaws of the Board of Trustees, Section 1.3034(m)

IV. Regulation Statement
The assignment of permanent grades by the instructor is as follows:

\[
\begin{align*}
A &= 4.00 \\
A- &= 3.67 \\
B+ &= 3.33 \\
B &= 3.00 \\
B- &= 2.67 \\
C+ &= 2.33 \\
C &= 2.00 \\
D &= 1.00 \\
F &= 0.00 \\
P &= 2.00 \\
NC &= 0.00
\end{align*}
\]
A student's grade point average for a term is computed by multiplying credits earned times grade points and dividing the total by the number of credits attempted.
P and NC are not calculated into a student's GPA.

The following designations are initiated by students and are reflected on a student's academic record.
AUD = Audit, no grade points assigned
W = Withdrawal, no grade points assigned

PASS/NO CREDIT OPTION FOR ABOVE ZERO-LEVEL COURSES
A student may take a course at the 100 level or higher on a Pass/No Credit basis. A grade of Pass is earned if the student completes the course at the “Satisfactory” (I) level or above. A grade of “No Credit” is recorded if the student fails the course or completes the course at the “Marginal” (D) level. A student may change from Pass/No Credit to the A-F grade option or from the A-F grade option to Pass/No Credit, up to the end of the third week of the Fall or Spring terms or 20% of any shorter term. A maximum of two courses (maximum 8 credits) taken on a Pass/No Credit basis may be used toward the degree. This option may not be used for a course in the student's major.

AUDITS (AUD)
A student who wishes to attend a class but does not want to receive credit or a grade may register for a class and request permission to audit it. All tuition and fees are charged for courses audited.
5.0013R Grading System

Students may not change from credit to audit or from audit to credit after the end of the Add/Drop period.

INCOMPLETE (INC)
An Incomplete is a temporary grade that may be assigned at the discretion of the instructor for students who have extraordinary circumstances of documented hardship or emergency. Eligible students are those who have been actively participating throughout the term and have completed a significant portion of the course in a satisfactory manner.

The Incomplete process outlined below must be followed:

• The student presents the appropriate documentation to the instructor.
• The instructor produces an Incomplete contract or agreement that specifies work to be completed, the standard of performance for the work, and by what deadline.
• The Incomplete contract or agreement must be signed and/or mutually agreed upon in writing by both the instructor and the student.
• All course work agreed upon must be completed by the twenty-first day after the end of the current semester or term, exclusive of official college closings.
• When a student completes the work satisfactorily by the deadline, faculty will submit a change of grade.
• If the terms of the contract/agreement are not met, the Incomplete will be changed to an F or NC by the Registrar.
• The Registrar will notify students of the grade change by email.
• For the purpose of calculating academic standing, the Incomplete will be treated as an F or NC.

Addendum
• A student with any questions about the impact of the Incomplete is advised to speak to a Student Development Specialist/Counselor.

CHANGE OF GRADE
If a student thinks a grade received was not a true representation of his/her efforts, then the student should consult with the faculty member. If a decision to change the grade is made, then the faculty member will submit a change of grade form. A change of grade may be submitted only by the appropriate instructor, department chair or Academic Division Dean. In the event the instructor is no longer affiliated with the College, the Department Chair or Academic Division Dean may submit the change of grade. Students are advised to check their online information from the Brookdale home page a few weeks later to make sure the new grade has been properly recorded on their transcript.

GRADE CHANGES – TIME LIMIT
Grade changes should be made as soon as an error is detected or an appeal is granted. All grade changes must be submitted within one year of the original grade assignment, to the Registrar’s Office by the instructor or a designee. All grade changes exceeding the one-year time limit require the Academic Division Dean’s and Executive Vice President for Educational Services’ written approval. Students are responsible for accessing their grades through their online accounts.

5.0013R Grading System
GRADE APPEAL PROCESS
There is a student grade appeal process that provides an avenue to discuss and resolve problems that may arise with educational progress. Information regarding this process may be found in the Integrity portion of the Student Conduct Code and Academic Integrity Code. Further questions concerning the Grade Appeal Process should be directed to the Academic Affairs Office.

COURSE WITHDRAWALS (W)
Student-Initiated Withdrawal (W)
Students are allowed to withdraw from a course, without penalty, until four-fifths of the course or semester has been completed (i.e., the twelfth week of a fifteen-week course).

Administrative Withdrawal (W)
Administrative withdrawals require administrative and/or faculty action. In extreme circumstances, an administrative withdrawal may be authorized after the 12th week withdrawal deadline for one or more courses. This type of withdrawal can be recorded after a student’s performance has been evaluated and recorded by an instructor (i.e. a grade has been submitted). If a grade has been posted, the instructor must be consulted prior to any change of a letter grade to a withdrawal (W).

Upon initiation of all withdrawals the instructor and the student will be notified by the appropriate administrative office, and a W will be recorded on the student’s transcript.

COURSE DROPS
Students are permitted to drop a course for any reason through the Add/Drop period. No record of the course will appear on a student’s transcript as this is not considered an official attempt.

Administrative Drop

Administrative drops require administrative and/or faculty action. Types that may occur are listed below.

In certain special circumstances, students may be removed from all courses. There is no deadline, so this can occur after the Add/Drop period, after the 12th week, and possibly after a semester has been completed. Required documentation provided by the student will be reviewed by the Dean of Enrollment Development and Student Affairs or his/her designee in consultation with all relevant faculty. Final authority rests with the Dean of Enrollment Development and Student Affairs.

TRANSCRIPT AND GRADE REPORTS
All courses attempted must appear on grade reports and transcripts. Courses are not considered to be attempts in the following circumstances:
• If dropped through the Add/Drop period.
• If approved for an administrative drop.

COURSE REPETITIONS

5.0013R Grading System
Except for special circumstances, if a course is repeated, only the higher grade will be included in the GPA calculation.

V. Responsibility for Implementation

Executive Vice President for Educational Services
