

**BROOKDALE COMMUNITY COLLEGE  
COLLEGE REGULATION**

**7.0010R County Use of the Information Commons and Student Success Centers**

**I. Title of Regulation**

County Use of the Information Commons and Student Success Centers

**II. Objective of Regulation**

The College provides access, as appropriate, to educational, cultural, technological, and recreational resources, to Monmouth County residents, as posted at each campus and the Higher Education Centers.

**III. Authority**

Bylaws of the Board of Trustees, Section 1.3034

**IV. Regulation Statement**

Monmouth County residents are permitted limited use of the resources and equipment in the public areas of the Bankier Library at Lincroft and the Freehold and Wall Branch campuses and Higher Education Centers. Such permission excludes classrooms and closed labs.

All users of the Information Commons and Student Success Centers are expected to abide by all of the regulations and policies of the College. County residents may apply for an identification card to borrow materials from the Bankier Library for limited times. Restrictions on certain materials may apply. At all times priority will be given to registered students and employees of the College for the use of the Information Commons and Student Success Centers.

**A. Unattended minors**

1. Minors under the age of 18 are not allowed on Brookdale Community College premises unless under the immediate supervision of an adult or for legitimate college business.
2. Minors are never to be left unsupervised and are prohibited from being left unattended at all Brookdale locations, including but not limited to buildings, grounds, and parking lots.
3. Parents, guardians, and/or adult registered students are required to accompany minors and will be held responsible for their guests' behavior in accordance with College policies.

4. On an emergency basis only, it is the prerogative of faculty to permit minors of enrolled student's admission to regular classes. However, admission of minors to all laboratory settings is prohibited for safety reasons.
