2016 Summer Camps at Brookdale
732-224-2823 • www.brookdalecc.edu/summercamps
Smart Summer Fun Starts At Brookdale!

Camps-on-Campus are specially designed to introduce new ideas, provide new perspectives, and spark new interests. We offer exciting new programs for every age and stage.

Join us for your best summer ever!

Don’t let your child have all the fun this summer.

Brookdale offers Continuing Education classes, events, and programs for every passion and hobby – from World War II studies to walking tours, from golf to guitar to genealogy, from fiction writing to fly fishing to the philharmonic, we can take you there!

Show us your camp registration/receipt and receive $10 off any summer class/program before August 15th.
Camps-on-Campus

Morning Care And Aftercare
Offered at our Lincroft campus, before and after-camp activities will keep your youngster busy and involved in a safe, supervised environment including indoor and outdoor activities. Indoor activities take place in air-conditioned college facilities. A staff member will escort your child to and from camp locations at the appropriate times. Aftercare is available only for camps ending at 2 pm or later. Preregistration is required. Daily rates are not available.

Aftercare Option – Digital Arts
Campers attending 9am-2pm camp programs may register for the following Digital Arts afternoon camps, in lieu of After Care, at a reduced price of $150:

- Video Game Apprentice - 6/20-6/24
- Maker Labs: 3D Modeling - 6/27-7/1
- Game Labs – Get In The Game - 7/11-7/15
- Video Game Animation - 7/18-7/22
- Minecraft Designers - 7/25-7/29
- Minecraft Animators - 8/1-8/5

Each program is appropriate for campers grades 4 and up. Pick up at 5:30 pm is required. For complete details, see Digital Arts camps, page 7.

Arts

New! Animals Galore!!
Love animals? Join our Animals Galore camp to create a zoo full of zany projects. Create a 3-dimensional fish, paint a Serengeti jungle sunset in watercolors, or a zentangle frog. Use nature to create an animal out of leaves or monkeys out of pipe cleaners. Dancing tin foil giraffes can be fun or try your hand at making animal puppets out of socks!

XCHLC 258, $299
6/27-7/1, 9 am-2 pm, Grades 4-6
Art Around The World

Grab your passport and bring a friend. Spend five exciting days exploring other countries and cultures through art and architecture. At each stop, create a unique work as a souvenir and receive a stamp in your passport. There will be time to write or draw in your hardbound journal as well as to explore fun techniques using different mediums: stamp making, acrylic painting on canvas, watercolor, chalk pastels, metallic pens, and graphic design markers. This KidzArt camp is a drawing-based fine art program with a diverse multimedia curriculum that meets national standards for art education.

XCHLC 181, $299
8/8-8/12, 9 am-2 pm, Grades 5-8

The Art Of Photography – Learn How To Capture Summer In A Flash!

Have you wondered what it takes to envision an idea and then execute it as a piece of art? Photography is part art, part science, and part psychology. Learn about digital photography, including terminology, mechanics and process, how to choose subjects, lighting, and editing. Students will begin to develop a personal photographic style and will explore the creative meaning of images and stories told through photography. Please bring your digital camera, charger, memory card, card reader, and a creative mind!

XCHLC 179, $299
Section 1: 7/18-7/22, 9 am-2 pm, Grades 9-11
Section 2: 7/25-7/29, 9 am-2 pm, Grades 7-8

Art Is Groovy, Man!

In this far-out camp experience, you’ll learn how to silkscreen like Andy Warhol. Create a sculpture, paint a canvas, and create other iconic artworks in the Op Art and Pop Art styles. Have fun utilizing images from pop culture in new, imaginative, and exciting ways—a very groovy week indeed!

XCHLC 206, $299
7/25-7/29, 9 am-2 pm, Grades 6 & Up

Ceramics And Sculpture Combo

A three-dimensional art class. Campers will create several innovative art pieces working with plaster, papier mâché, and clay. Learn about contemporary sculptors, including Claes Oldenburg (famous for creating giant everyday objects such as a 7-foot hamburger, spoon, phone, etc.) and George Segal (an American painter and sculptor associated with the Pop Art movement) for creative influence.

XCHLC 224, $299
Section 1: 7/11-7/15, 9 am-2 pm, Grades 6-8
Section 2: 7/18-7/22, 9 am-2 pm, Grades 6-8
Section 3: 7/25-7/29, 9 am-2 pm, Grades 9-10
Creative Fashion
Create your own fabulous fashions by drawing, painting, and personalizing your own runway-worthy designs. Express yourself with style like a real fashion designer by creating a 3-dimensional design on your own personal miniature dress form. Impress family and friends with your styling skills by taking home a matted unique fashion sketch, templates, and original creation on a miniature dress form.

XCHLC 123, $299
7/11-7/15, 9 am-2 pm, Grades 5-8

Drawing And Cartooning Basics
If you are interested in drawing, and enjoy comics or graphic storytelling, join us to learn the basic drawing skills of cartooning. Develop a cartoon from storyboard to a finished comic strip. This is a hands-on skill building class (not a computer program).

XCHLC 251, $240 (4-day camp)
7/5-7/8, 9 am-2 pm, Grades 5-7

Drawing – Not Just Pencils Anymore!
Ready to move beyond #2 pencils and improve your drawing skills? Learn principles including perspective, proportion, and composition to enhance your drawing ability. We’ll work with numerous media and new techniques to create challenging graphic representations.

XCHLC 182, $299
7/18-7/22, 9 am-2 pm, Grades 6 & Up

Famous Artists
Create sculpture, painting, drawing, watercolor, and printmaking, all inspired by famous artists. Learn about collage from Matisse, sculpture from Picasso, painting from O’Keefe, Klee and Monet, and printmaking from Warhol. Develop a Tiffany-inspired design using multi-colored, translucent paper with the look of real stained glass. Discovery and self-expression are fundamental to KidzArt programs where creative spirit is nurtured while building friendships and having fun!

XCHLC 259, $299
7/25-7/29, 9 am-2 pm, Grades 4-6

Make Literature Come Alive Through Creative Arts
If you’ve ever wanted your books to come to life, this camp is for you! Words are the tools authors use to paint an image for their readers. To explore theme, symbolism, and author’s purpose, we will be looking at poems, short stories, and other texts through an artistic lens. Literature will come alive through writing, collages, models, and other mediums. No artistic experience is required - just your creativity and imagination to look at literature in a unique way!

XCHLC 260, $240 (4-day camp)
7/5-7/8, 9 am-2 pm, Grades 2-3

732-224-2823 • www.brookdalecc.edu/summercamps
New! Water, Water Everywhere!

Submerge yourself in a fun art experience as we explore the interesting properties of water. Build a model waterslide park, paint a killer whale on canvas, design a futuristic underwater vehicle, draw an underwater Fish Café, and experiment with salt water painting. This KidzArt camp is a drawing-based fine art program with a diverse multimedia curriculum that meets National Standards for Art Education. Discovery and self-expression are fundamental to KidzArt programs where creative spirit is nurtured while building friendships and having fun!

XCHLC 261, $299
8/1-8/5, 9 am-2 pm, Grades 3-5

Business

The Money Camp

Future tycoons and financial wizards welcome! Learn from professional financial managers about how money is earned, managed, invested, and saved. Personal budgets, the stock market, business plans, and the ins and outs of borrowing money are all part of this rich week of summer. As a culminating activity, a behind-the-scenes visit to a local business operation will bring this lucrative week to an end.

XCHLC 186, $299
7/25-7/29, 9 am-2 pm, Grades 6-9

Chess

Chess for Success

Don't be a pawn! Learn how to outsmart both friend and foe. Chess develops skills in critical thinking, problem solving, analysis, and visualization—all while fostering confidence and sportsmanship. Learn tactics and strategic skills you can build upon all year. The High Technology High School Chess Club advisor and members of the High Technology Chess Team welcome novice and experienced players.

XCHLC 187, $299
7/11-7/15, 9 am-2 pm, Grades 6 & up
Digital Arts

Arts and Science take new form in today’s digital world. Introduce your child to the many forms of expression and creativity Digital Arts encourage. Black Rocket programs are fueled by imagination and designed to inspire a new generation of ideas in a unique learning environment.

All Black Rocket Productions’ camps mirror real life experiences and the collaborative nature of the creative process. Work in pairs or teams for most of the design process, and end camp with a finished product to take home and show family and friends.

App Adventures! The Next Level

Continue your quest to make the next viral app! Whether you want to move past the basic techniques learned in App Attack or want to jump right in, we are ready for you! Students will choose from a selection of different web-based (HTML5) mobile apps and explore more in-depth programming concepts. Student-created apps will be accessible on a Black Rocket site and can be played on any mobile device or computer. Publishing to App stores not included. No prior experience is necessary and students do not need to own a smartphone or tablet to take the class. Students will work in pairs or teams for most of the program.

XCHLC 209, $299
8/15-8/19, 9 am-2 pm, Grades 7-9

App Attack!

Take the first steps into the world of mobile app design and customize your own game app! Using a specialized app & game development tool, students will explore the world of web-based (HTML5) mobile apps. In addition to learning the basics of mobile app design and game development, you will also see firsthand how the world of App publishing functions. Student-created apps will be accessible on a private site and can be played on any mobile device or computer. Publishing to App stores not included. No prior experience is necessary and students do not need to own a smartphone or tablet to take the class. Students will work in pairs or teams for most of the program.

XCHLC 173, $299
Section 1: 7/11-7/15, 9 am-2 pm, Grades 5-7
Section 2: 7/25-7/29, 9 am-2 pm, Grades 7-9

732-224-2823 • www.brookdalecc.edu/summercamps
Code Breakers
Calling all future coders, programmers, and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the high school student who just made $1 million dollars for programming in his bedroom, this camp has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

XCHLC 223, $299
Section 2: 7/11-7/15, 9 am-2 pm, Grades 7-9
Section 3: 7/25-7/29, 9 am-2 pm, Grades 5-7

Creative Design And Robotics
The world of the future belongs to...robots! In this cutting edge class, students will learn the fundamentals of motorized mechanisms, design principles, sensors, and sound activation. Separate fact from fantasy by designing and building prototypes of task oriented robots. Learn problem-solving to improve how their robots function in a series of design challenges! Students will work in pairs or teams for most of the program.

XCHLC 109, $315
Section 1: 6/27-7/1, 9 am-2 pm, Grades 5-7
Section 2: 8/1-8/5, 9 am-2 pm, Grades 3-5
Section 3: 8/8-8/12, 9 am-2 pm, Grades 7-9

Game Labs - Get In The Game!
Space is limited in this one-of-a-kind video game program. Using a new technology invented by Black Rocket, this camp combines all the digital mediums into one super class. We blend the best principles of video game design, animation, and film making to create a truly unique experience! You will learn how to animate yourself and your friends and put yourselves directly into a video game that you created. That's right—you are inside the video game! Games will be available on a password-protected website to share with family and friends.

XCHLC 243
Section 1: 7/11-7/15, 2:30 pm-5:30 pm, Grades 4 & Up, $185
Section 2: 8/8-8/12, 9 am-2 pm, Grades 5-7, $299

LEGO Films And Stop Action!
Make your LEGOs come to life! Bring in your favorite action figures or LEGOs and create a short film with your friends. Whether you want to recreate a scene from Star Wars or design a world of your own, this camp brings your dreams to the screen. You will need to bring in LEGOs or action figures from home, but all other equipment is provided. Your films will be available on a password-protected website to share with family and friends.

XCHLC 121, $299
8/1-8/5, 9 am-2 pm, Grades 3-7
LEGO Video Games

Combine your two favorite activities: LEGOs and video games! Students will create their own LEGO characters and adventures in an interactive 2D video game. Everyone is welcome in this one-of-a-kind class. At the end of the program, every student will have a finished LEGO video game that can be shared with friends and family through a password-protected Black Rocket website. Games are only compatible with PC computers; Mac versions can be created after the program for a $15 conversion fee. Students will work in pairs or teams for most of the program.

XCHLC 147, $240 (4-day camp)
7/5-7/8, 9 am-2 pm, Grades 3-5

Make Your First Video Game!

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, challenge levels, graphics, sounds, and simple coding are just some of the concepts that we’ll explore. No prior experience necessary, just a desire to have fun. Student created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, Mac versions can be created after the program for $15.00 conversion fee. Students will work in pairs or teams for most of the program.

XCHLC 087, $299
Section 1: 6/27-7/1, 9 am-2 pm, Grades 3-5
Section 2: 8/15-8/19, 9 am-2 pm, Grades 5-7

Make Your First 3D Video Game!

Develop a game concept that goes well beyond the limitations of the traditional 2D game design classes. Learn the physics behind 3D games, explore beginner event scripting, level design controlling flow of gameplay, and storytelling. Your game will be available on a password-protected Black Rocket website to share with family and friends.

XCHLC 145, $299
Section 1: 6/20-6/24, 9 am-2 pm, Grades 5-7
Section 2: 7/25-7/29, 9 am-2 pm, Grades 3-5
Section 3: 8/22-8/26, 9 am-2 pm, Grades 7-9

Maker Labs: Make Your First 3D Creation!

Calling all boys and girls who want to be the designers of the future! In this class, if you can dream it you can make it - create your first action figure, design custom jewelry, or make a new toy! Using professional-level modeling software, kids will sculpt, texture, and render their own 3D creation. No prior experience is necessary and 3D designs will be available on a password-protected website to share with family and friends. 3D prints are not included, but can be purchased separately through a 3rd party company. Students will work in teams for most of the program.

XCHLC 242
Section 1: 6/27-7/1, 2:30 pm-5:30 pm, Grades 4 & Up, $185
Section 2: 7/5-7/8, 9 am-2 pm, Grades 5-7, $240 (4-day camp)
New! Minecraft Animators

Bring your favorite Minecraft characters to life in an animated short film! Learn how studios like Pixar and Disney make movies like *Inside Out* and *Frozen* using techniques like keyframing, tweening, texturing, and animating rigged 3D models! Student projects will be available on a Black Rocket website to share with friends and family. You do not need to own a Minecraft account to use the software in this class. Students will work in pairs or teams for most of the program.

XCHLC 262
Section 1: 6/20-6/24, 9 am-2 pm, Grades 3-5, $299
Section 2: 6/27-7/1, 9 am-2 pm, Grades 7-9, $299
Section 3: 8/1-8/5, 2:30-5:30 pm, Grades 4 & Up, $185
Section 4: 8/22-8/26, 9 am-2 pm, Grades 3-5, $299

Minecraft Designers

If you love the game Minecraft, but always wanted to design your own characters and buildings for your games, this class is for you! Learn the basics of creating 3D models using a new software to design your very own objects, create skins for characters, and import them into your favorite Minecraft games. To access their project at home, students must own a PC/MAC version of Minecraft. Tablet, phone, and game console version of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program.

XCHLC 222
Section 1: 7/5-7/8, 9 am-2pm, Grades 7-9, $240 (4-day camp)
Section 2: 7/11-7/15, 9 am-2 pm, Grades 3-5, $299
Section 3: 7/18-7/22, 9 am-2 pm, Grades 5-7, $299
Section 4: 7/25-7/29, 2:30-5:30 pm, Grades 4 & Up, $185
Section 5: 8/15-8/19, 9 am-2 pm, Grades 3-5, $299

Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a Black Rocket website to share with friends and family. To access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone, and game console version of Minecraft are not compatible. Students will work in pairs or teams for most of the program.

XCHLC 241, $299
Section 1: 7/18-7/22, 9 am-2 pm, Grades 7-9
Section 2: 8/1-8/5, 9 am-2 pm, Grades 5-7
Section 3: 8/8-8/12, 9 am-2 pm, Grades 3-5
New! Video Game Animation

Take your game design to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character's personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in future games. Students do not need any prior experience in game design, animation, or sketching. Student-created animations will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15.00 conversion fee. Students will work in pairs or teams for most of the program.

**XCHLC 263**
Section 1: 7/18-7/22, 9 am-2 pm, Grades 3-5, $299
Section 2: 7/18-7/22, 2:30-5:30 pm, Grades 4 & Up, $185

New! Video Game Apprentice

What do you want to be when you grow up? Doctor...lawyer...or game designer? Some of the fastest growing careers are in video game production. In this unique class, students build a prototype video game with a special focus on the foundations of game design, mechanics, and theory. Each day will have a spotlight profile on key roles in the game design world and the STEM skills needed to succeed. Student games will be available on a Black Rocket website to share with friends and family. Students will work in teams for most of the program.

**XCHLC 264**
Section 1: 6/20-6/24, 2:30-5:30 pm, Grades 4 & Up, $185
Section 2: 8/22-8/26, 9 am-2 pm, Grades 5-7, $299

X-Games: The Ultimate Video Game Experience

Experience the ultimate in video game design. You’ve learned the basics, now it’s time to take it to another level - an UNREAL level! Work on powerful computers with the industry-grade software the pros use! This class is not meant for amateurs, but will give any aspiring game designer an idea of how to break into the video game industry. Start with the basics of level editing, 3D modeling, event scripting, and story writing. Although the program ends on Friday, your experience is just beginning! You are provided with the software to continue your project at home, will have access to online Black Rocket tutorials, receive an additional 7 hours of online instruction from one of our game designers, and participate in a unique online community of gamers. Software, online tutorial, and website hosting are all included. System requirements for home experience include: PC computer with 2 GB of RAM, 2.0 GHZ processor, and a ShaderModel3-compatible video card.

**XCHLC 130, $575**
7/25-7/29, 9 am-2 pm, Grades 6-9
History & Mystery

Paranormal Investigators Wanted!
Are you a fan of ghost hunting shows on TV? Fascinated by this intriguing subject? This is your chance for hands-on experience using such equipment as EMF and K-2 Meters, the SB-7 radio, static detectors, and laser grids. You will go through all the methods and technology used by ghost hunters in the field. Explore the Salem Witch Trials, Amityville, and Roswell. We will examine audiovisual evidence as well as the history and background behind famous legends and lore. Note: this camp deals with theories and assessments of unexplained phenomena that may not be suitable for some children.

XCHLC 244, $240 (4-day camp)
7/5-7/8, 9 am-2 pm, Grades 7-9

New! Politics and Debate Camp
Calling all young politicians! Join us as we take a look at different social and political theories, laws, and government from around the world and how they were used in society. From Hammurabi’s Code to the American Republic and the “Red Scare,” we will discuss which ones worked, which didn’t, and why. Current “hot topics” and events will also be discussed and debated throughout the week. This camp is just in time for the 2016 presidential election. Be prepared for an intense week of debating and critical thinking.

XCHLC 265, $299
7/11-7/15, 9 am-2 pm, Grades 7-11

New! War and Battle Tactics History Camp
Join us as we examine famous battles and wars throughout history. We will be looking at the weapons and technology used as well as the tactics created by commanders to win each battle. From Ancient Rome through World War II and Vietnam, this camp will cover it all. By signing your child up, you are giving them permission to view PG-13 rated film clips that may show battle violence. We will also try to make time to stage our own Nerf battles using the tactics we are learning about.

XCHLC 266, $299
6/27-7/1, 9 am-2 pm, Grades 6-9
Law And Order

Day in Court
Play the roles of judge, defendant, plaintiff, witness, lawyer, bailiff or juror in several mock trials. Learn how to make opening and closing statements, how to phrase objections and how to question witnesses. Pull all your skills together at the end of the week as you participate in a final mock trial based on actual events. Family and friends invited to watch!

XCHLC 007, $299
8/1 - 8/5, 9 am-2 pm, Grades 5-7
8/8 - 8/12, 9 am-2 pm, Grades 7-9

Global Citizenship
Want to change the world? Begin here and now - become a voice for change. We will explore contemporary issues in human rights and social justice. Guest speakers and diverse resources will aide our discovery of what it means to be a global citizen. Create a plan to address a global or local problem and develop your voice as an activist. This unique newly developed program will take place at the Chhange Center at Brookdale. Join us and get inspired and empowered.

XCHLC 270, $299
8/1-8/5, 9 am-2 pm, Grades 6-9

Math

Mathematical Puzzles Plus!
Let Brookdale's Math faculty lead you on an adventure of mathematics manipulatives. Through hands-on activities and problem-solving challenges, you will learn about topics like fractals, the Tower of Hanoi math puzzles, and math video games! Math + Puzzles = Fun!

XCHLC 229, $299
8/15 - 8/19, 9 am-2 pm, Grades 3-5
Savvy Manners/Social Skills

Summer Savvy Manners/Social Skills
Everyone will enjoy a more relaxing summer following this week! Children will learn specific strategies that will increase confidence and skill when interacting with others. The Protocol School of New Jersey makes learning fun (and parents no longer need to nag!) – children will make a positive first impression at family gatherings and social events. Topics include assertive introductions, conversation skills, techno-etiquette, etiquette of public places, host and guest duties, before, during and after the meal, fork and knife savvy, and dining out techniques from fast food to fine dining. Tutorial meal the last day of camp. Program workbook included.

XCHLC 128, $240 (4-day camp)
7/5-7/8, 9 am-2 pm, Grades 4-6

Science

Give your children roots in STEM this summer and watch them bloom! Science, Technology, Engineering, and Math is the tech world of our children’s future. Brookdale’s science camps are built upon STEM foundations–offering plenty of hands-on learning fun while cultivating critical thinking and problem-solving skills.

New! Crazy Contraptions
Move over Rube Goldberg! In this all-new engineering class, you will have fun integrating Science, Technology, Engineering, and Mathematics by building and designing a wide range of gadgets and inventive ball machines. Projects include the Hookshot Ball Machine, ball-launching catapult, forklift ball machine, pick and drop ball machine, and Rube Goldberg inventions where students will design complex contraptions that complete a simple task. Learning concepts center around machines, force and motion, energy, and more. Projects and contraptions will be designed with the all-new VEX machine curriculum and more. All students take home a VEX ball machine built in class.

XCHLC 267, $299
8/8-8/12, 9 am-2 pm, Grades 5-7
21st Century STEM (Science, Technology, Engineering, And Math) - Part 1

Science is about discovery; engineering is about creating solutions. Become an architect, engineer, technician, and construction worker using technology skills to solve problems. Age-appropriate designs may include: Egg Drop Survival, Soda Can Racers, boat, bridge, catapult, and flying gizmo designs. Interactive, hands-on computer lab challenges help to round out this powerful experience.

XCHLC 071, $299
Section 1: 7/11-7/15, 9 am-2 pm, Grades 2-3
Section 2: 7/18-7/22, 9 am-2 pm, Grades 4-6

Continue 21st Century STEM - Part 2

See 21st Century STEM; new activities, new learning adventures. Camp may be taken independent of Part 1.

XCHLC 226, $299
Section 1: 8/1-8/5, 9 am-2 pm, Grades 2-3
Section 2: 8/8-8/12, 9 am-2 pm, Grades 4-6

New! CODE! A Smart Start To Computer Science Basics

This creative environment for learning basic coding and computer science uses a mix of online activities and “unplugged” hands-on activities. This camp nurtures creativity, problem solving, collaboration, and logic through tutorials like Star Wars, Minecraft, and more. Every camper will have access to all the online computer activities outside the classroom during and after the completion of camp.

XCHLC 268, $299
Section 1: 7/11-7/15, 9 am-2 pm, Grades 4-6
Section 2: 7/25-7/29, 9 am-2 pm, Grades 2-3

Engineering Explorations

As an engineer, you will learn physical science concepts and use them as you design, construct, test, and analyze results. Then, you will reconstruct, retest, and reanalyze results to determine whether design modifications were effective. Design and construction competitions may include bridges, roller coasters and amusement park rides, electric circuits, rockets, space vehicles, energy efficient buildings, and interactive computer challenges.

XCHLC 089, $299
Section 1: 7/18-7/22, 9 am-2 pm, Grades 2-3
Section 2: 8/1-8/5, 9 am-2 pm, Grades 4-6
A Crazy Combination - Art Meet Science

The most beautiful thing we can experience is the mysterious.

It is the source of all true arts and science. ~ Albert Einstein

Join us for a fun-filled week of hands-on, minds-on activities that combine science with music and art. Each day will begin with singing and playing musical instruments, while learning the science concepts of sound, matter, life and water cycle, and more. Spend the remainder of the day exploring and applying your knowledge through hands-on science experiments, as well as creative art projects.

XCHLC 225, $299
8/8-8/12, 9 am-2 pm, Grades 2-3

CSI (Crime Scene Investigation)

Become a super sleuth! Learn about forensics, investigation and crime lab chemistry as you perform experiments to find out how tricky cases are solved. Search for evidence, gather clues, and discover how science can help solve a mystery. Dust for fingerprints, analyze handwriting, and test for blood type and DNA using simulated blood and “glow blood” to see what humans can’t. Examine hair and clothing fibers, mystery substances, and more.

XCHLC 112, $299
8/15-8/19, 9 am-2 pm, Grades 5-7

Journey To Medicine

Be introduced to medical terminology, radiologic technology, respiratory therapy, in-the-lab simulated healthcare mannequin activities, and more. Learn about medical professions you may not know even exist. Enjoy a trip to a medical facility, experiencing it from a behind-the-scenes perspective. Workshops are taught by nursing program faculty. Includes CPR certification.

XCHLC 110, $315
8/15-8/19, 9 am-2 pm, Grades 6-8

Journey To Veterinary Careers

Love animals? Discover the many career opportunities our furry friends provide. Learn what veterinary professionals do in their exciting careers and the educational requirements for each exciting career with animals! Guest presenters include veterinarians, veterinary technicians and assistants, veterinary practice managers, veterinary educators, veterinary sales representative, canine police officers, zookeeper, animal control officer, lab animal research, and the staff from The Seeing Eye! Program includes two days of field trips: Zoom Room in Tinton Falls, a tour of the Monmouth County SPCA, and a full day at Red Bank Veterinary Hospital in Tinton Falls for an up-close look at veterinary medicine in action. Camp concludes with a hands-on pet first aid workshop on a canine mannequin!

XCHLC 126, $315
8/1-8/5, 9 am-2 pm, Grades 6-9
Science Sleuths

Become a science detective as you explore the many facets of the science world. This week is packed with fun-filled, hands-on, minds-on science activities, as you learn about being a CSI, paleontologist, oceanographer, astronaut, chemist, or biologist. Investigate a murder mystery, the properties of slime, Mysterious Yuk, mystery powders, pollution, and more.

XCHLC 201
Section 1: 6/27-7/1, 9 am-2 pm, Grades 2-3, $299
Section 2: 7/5-7/8, 9 am-2 pm, Grades 4-6, $240 (4-day camp)

The Best Of Science Camp

Wrap up your summer with the (age appropriate) favorite projects from throughout the season along with a few new surprises. This is a great way to end the season!

XCHLC 157, $299
8/15-8/19, 9 am-2 pm, Grades 3-5

Ocean Adventures

From collecting sea creatures in Sandy Hook Bay, hunting for fossils from the ocean’s past, to exploring our changing coastal environments, lighthouses, historic Fort Hancock, and more, join us for five days of discovery at our Jersey seashore.

You’ll find our daily Ocean Adventure field trips and activities so fun it will be hard to believe that you’re learning. Science, history, weather, and the ocean will never look the same after you’ve gained a mariner’s point of view.

Ocean Adventures are held at Sandy Hook. Brookdale thanks the National Parks Service at Sandy Hook and Historic Twin Lights for allowing us access to their buildings for our public programs.

XCHLC 025, $299 (bus included)
Section 1: 7/18-7/22, 9 am-2 pm, Grades 4-7
Section 2: 8/15-8/19, 9 am-2 pm, Grades 4-7
Science - Academy High Schools

Camps-On-Campus presents the following fun and unique learning experiences in partnership with the Monmouth County Vocational School District. Programs take place at the individual academy high school locations. Camp participation will not impact admission to the vocational school district academy high schools.

Biotech Boot Camp

Touch the exciting field of biotechnology. Use state-of-the-art equipment to perform scientific techniques including: DNA gel electrophoresis, DNA fingerprinting, genetic engineering of bacteria to glow in the dark, and identification of genetically modified organisms. Explore current issues, including stem cell and cloning.

**XCHLC 127, $299**

- **Section 1:** 7/11-7/15 – girls only, 8 am-1 pm, Grades 7-8
- **Section 2:** 7/18-7/22 – co-ed, 8 am-1 pm, Grades 7-8
- **Section 3:** 7/25-7/29 – co-ed, 8 am-1 pm, Grades 7-8

Biotechnology High School - Freehold, 5000 Kozloski Rd. Brown bag lunch required. For laboratory safety: no glass containers, no open sandals.

Digital Circuit Technologies

We will build electronic kits as an introduction to discover the inner workings of digital circuits. Campers begin with a project to learn the basics of proper soldering technique, then move onto projects with a higher degree of difficulty. In addition, campers will be taught the inner workings of integrated circuit chips. With this knowledge, students will build circuits on computers using logic gates. Completed projects can be brought home after the last day of class.

**XCHLC 220, $299**

- **7/25-7/29, 9 am-2 pm, Grades 6-8**

Digital Art With Photoshop

Have you ever wanted to create your own computer artwork or manipulate digital pictures? Interested in adding images to a photo or change someone’s appearance? Here is your chance to learn Photoshop skills in a fun camp environment. Campers will learn how to use Photoshop tools to create, improve, and manipulate images. We will also explore how magazines manipulate images to market products to consumers.

**XCHLC 219, $299**

- **7/11-7/15, 9 am-2 pm, Grades 6-8**

Historical Technology

Join us and learn about historical technologies, how they changed the world, and actually build these working technologies. Students will design and build fully functioning technologies while learning engineering design drawing techniques. Design and build a hot air balloon—then fly it! Build and take home a working catapult, sundial, hypsometer, and hovercraft, and race your hovercrafts the last day of class. Students are required to bring/wear long pants & shoes while in the technology lab.

**XCHLC 254, $299**
7/25-7/29, 9 am-2 pm, Grades 6-8

New! Magnetic Levitation And Solar Technology

Students will be able to design, build, test and race a Maglev vehicle across a track and will learn electronic concepts covering direct current obtained through solar cell power. Students are instructed in safety methods. Each student successfully designs electronic circuits and builds a solar-powered device to take home. A digital jump/flash drive is suggested but not required. Because we will be using tools students are required to bring/wear long pants & shoes while in the technology lab. Safety glasses are provided.

**XCHLC 269, $299**
8/1-8/5, 9 am-2 pm, Grades 6-8

Website Building Technology

We begin with campers building websites using rapid prototyping tools such as Google Sites. Next students move onto building websites using raw HTML Hypertext Markup Language. Campers will incorporate technologies such as hyperlinks, cascading style sheets, JavaScript, tables and more in building their websites. Students are encouraged to continue building websites on their own after the camp concludes.

**XCHLC 255, $299**
7/18-7/22, 9 am-2 pm, Grades 6-8

732-224-2823  •  www.brookdalecc.edu/summercamps
Sew Cool!!

If you can sew, you can pursue your fashion and decorating dreams. Learn the basics from a professional seamstress. Sewing machines are shared by campers.

Pajama Pants Party

Summertime and sleepovers! Good times! What could be more fun than wearing a pair of pajama pants that you made? Learn hand sewing skills and how to use a sewing machine. Find out about sizing, fabrics, notions, and tools. You will complete a pair of pajama pants for yourself. Sign-up with a friend for twice the fun.

**XCHLC 118**
Section 1: 6/27-7/1, 9 am-2 pm, Grades 4-6, $299
Section 2: 7/5-7/8, 9 am-2 pm, Grades 6-8, $240 (4-day camp)

Writing

Young Writers Adventures

Are you ever stuck for inspiration? Creative artists, professional writers, and dynamic Brookdale Community College professors will help you expand your writing abilities and create your own portfolio. Have fun while you try your hand at description, dialogue, fantasy, and fact. Experience guest writers and artists, interesting readings, and more.

**XCHLC 018, $499**
Section 1: 7/11-7/22, 9 am-2 pm, Grades 5-6 (2 weeks)
Section 2: 7/11-7/22, 9 am-2 pm, Grades 7-9 (2 weeks)
Auto Tech Intro

Find out where the rubber meets the road. Explore auto tech fundamentals in our state-of-the-art automotive facility. Learn some of the basics of automotive service such as oil changes, brake inspections, and tire mounting and balancing. Whether you are a future automotive tech or a car-loving consumer, this is a rare opportunity to find out if what's under the hood is under your skin. Proper attire required in lab: no shorts, tank tops, or open-toed shoes. Program meets at Lincroft campus Auto Tech Lab/Bay.

XCHLC 194, $219
8/15-8/19, 9 am-12 pm, Grades 9-12

Engineering Design - An Introduction

Use engineering design principles while utilizing 3D CAD software. Learn to read engineering drawings for manufacturing products, and review American National Standards Institute guidelines for designing products. Identify, create, and read working drawings, apply dimensions, identify and create pictorial drawings, and learn sketching techniques. Create orthographic, oblique, isometric, and perspective sketches and exploded views. AutoDesk Inventor and modeling software provide hands-on experience.

XCHLC 193, $299
7/11-7/15, 9 am-2 pm, Grades 9-11

Future Chefs/Chopped Champions

What's cooking in your future? Are you considering a career in the food industry? Wondering what culinary studies are all about? Don't miss this opportunity for hands-on meal preparation in a commercial kitchen- one that trained Chopped champion, Emily Chapman; a behind the scenes dining experience with professional, instructor chefs. The program takes place at the Culinary Education Center, Asbury Park. Professional kitchen rules apply – long pants, sleeved shirts (no tank tops), closed shoes, no jewelry, hair tied back. (Food allergies must be reported on registration form so that we may determine accommodation possibilities.)

XCHLC 193, $179 (3-day camp)
6/28-6/30, Tues-Thurs, 9am–1pm, Grades 9-11

Culinary Education Center, Asbury Park, 101 Drury Lane, Asbury Park

2016 Summer Sports Camps

We deliver a comprehensive schedule of specialized instruction for boys and girls ages 8-15. Our approach combines individual athletic training and cooperative teamwork with competitive play – always emphasizing true sportsmanship and safety.

We are proud to have experienced instructors – from collegiate coaches who have won National Championships to certified martial artists who have competed in the Olympic Games – on staff to coach your camper. Local collegiate athletes also assist our senior counselors. Our state-of-the-art indoor facilities include amenities such as three full-size basketball courts and a four-lane track.

Brookdale Camps boast a camper-to-staff ratio below 10-to-1. This allows our counselors to provide individualized training. It’s important to us that your child not only has fun but learns the sport from highly experienced instructors.

At Brookdale, the Jersey Blues Sports Camps combine caring, experienced counselors with Brookdale’s outstanding facilities to provide one of the state’s most exciting, fun-filled, and reputable day camps. See you this summer!

Basketball

Basketball Training Camp

A co-ed, fundamentals camp where campers will be exposed to a variety of drills and skill work, tested in game situations, and compete daily in afternoon coached games. The newly renovated and recently reopened Collins Arena and Brookdale Recreation and Events Center include air-conditioned gymnasiums and three full-size courts.

Section 1: 7/11-7/15
Basketball Training Camp, Ages 9-15, 9 am-2 pm, $225, 301-01
Half Day Skills Camp, Ages 8-10, 9 am-12 pm, $150, 301-02

Section 2: 7/25-7/29
Basketball Training Camp, Ages 9-15, 9 am-2 pm, $225, 301-03
Half Day Skills Camp, Ages 8-10, 9 am-12 pm, $150, 301-04

Section 3: 8/8-8/12
Basketball Training Camp, Ages 9-15, 9 am-2 pm, $225, 301-05
Half Day Skills Camp, Ages 8-10, 9 am-12 pm, $150, 301-06
Cheerleading

Cheerleading Camp
Camps will learn cheers, chants, choreography, and basic pyramids, while working alongside and being coached by Brookdale's collegiate cheerleaders. Camp closes with a presentation of learned routines. This program is designed for beginning to intermediate cheerleaders.

Section 1: 7/11-7/15
Cheerleading Camp, Ages 9-13, 9 am-12 pm, $150, 801-01

Field Hockey

Field Hockey Training Camp
Both sessions provide individualized instruction to develop all related technical skills. Both will provide skill work and game play. Camp will focus on the fundamentals of the game including: offensive strategy, passing, shooting, defense, game strategy, and stick work.

Section 1: 7/11-7/15
Field Hockey Training Camp, Ages 10-15, 9 am-2 pm, $200, 901-01
Section 2: 7/25-7/29
Field Hockey Training Camp, Ages 10-15, 9 am-2 pm, $200, 901-02

Fencing

Fencing Camp
This half-day program is designed to introduce the sport of fencing to boys and girls ages 9-15. Led by professional and world-class fencers, this camp promotes the safety and technique of the classical Olympic sport. All equipment will be provided. Space is limited.

Section 1: 7/18-7/22
Fencing Camp, Ages 9-15, 9 am-12 pm, $165, 110-01
Section 2: 8/1-8/5
Fencing Camp, Ages 9-15, 9 am-12 pm, $165, 110-02
Soccer

Soccer Training Camp
Camp will cover all technical and tactical aspects of the game. Campers will be split into small groups, based on level, where they will receive instruction on the fundamental areas to create the complete player: shooting, drills, positioning, defense, games, and scrimmages. Our staff is led by the Jersey Blues coaching staff and includes some of the top players and coaches in the shore area.

Section 1: 7/18-7/22
Soccer Training Camp, Ages 10-14, 9 am-2 pm, $225, 401-01
Half Day Training Camp, Ages 8-10, 9 am-12 pm, $150, 401-02

Section 2: 8/1-8/5
Soccer Training Camp, Ages 10-14, 9 am-2 pm, $225, 401-03
Half Day Training Camp, Ages 8-10, 9 am-12 pm, $150, 401-04

Tennis

Tennis Training Camp
A program designed with the beginning or intermediate player in mind. An introduction to all tennis strokes is provided, along with fun competition. Our staff is led by the National runner-up Jersey Blues Tennis coaches and players.

Section 1: 7/11-7/15
Training Camp, Ages 8-13, 9 am-12 pm, $150, 501-01

Section 2: 7/25-7/29
Training Camp, Ages 8-13, 9 am-12 pm, $150, 501-02
Fast Start For High School Students

Fast Start Program - Summer 2016
Attend college this summer! Enroll in college-level courses at Brookdale Community College through the Fast Start Program. Summer III Term courses start on July 5, 2016.

What is the Fast Start Program?
The Fast Start Program allows qualified high school sophomores, juniors, seniors, and homeschooled students to enroll in college-level courses at Brookdale. Students may enroll in one or two courses during Brookdale’s Summer III Term (July 5-August 15).

How do students qualify for the Fast Start Program?
To qualify for the Fast Start Program, students must have completed the 9th grade, be at least 15 years old, and pass all sections of Accuplacer. Please review a detailed list of requirements at www.brookdalecc.edu/fast-start

How do students get started in the Fast Start Program?
Students interested in the Fast Start Program should contact Donna Cuddy, Associate Director, Transfer Resources, at 732-224-2574 or dcuddy@brookdalecc.edu to request a Fast Start application or for answers to any questions.

Name on card Signature
Camps-On-Campus Policies

Programs are intended to be educational and fun. To ensure campers have a positive experience we have instituted the following policies.

Sign-In/Sign-Out Procedure
You must escort and sign your child in at his/her destination. At the end of the program, your child must be picked up and signed out. Campers are only permitted to leave camp with a parent or individual identified by parents in a written request.

Minor students, ages 13 and up, can sign-in and sign-out unattended. Your child may leave the program-premises by his/her own means, with arrangements made by you to meet at a designated location immediately following dismissal. All visitors to Brookdale Community College must abide by all laws, policies and regulations in effect during the time of enrollment in classes and camp programs.

If you **DO NOT** want your teenager, age 13 and up, to arrive and leave the program premises unattended, please sign below:

[ ] Parent Signature

Camper Code of Conduct Agreement
Camper safety is our priority. Cursing, bullying, name-calling or behavior deemed unsafe by camp staff compromises the experience for everyone and will not be tolerated. Parents or guardians will be notified if campers exhibit these negative behaviors. If immediate improvement in behavior is not evident, the camper will be dismissed from camp without refund. Dangerous behavior, such as fighting, is grounds for immediate dismissal. Cell phones/other electronic devices must be turned off prior to camp start time.

[ ] Parent/Guardian Signature (Required for Camp Policies)  Date
[ ] Camper Signature (Required for Code of Conduct Agreement)  Date

Refund Policy
If a parent must cancel his/her child's camp registration(s), our refund policy is as follows: 10 or more days prior to camp, payment will be fully refunded less the $75 non-transferable deposit; 9 days or less prior to camp, we will hold ½ of the fee and refund the balance; no refunds will be issued once a camp program begins. Appeals require documentation of an emergency. The College reserves the right to cancel a camp in which the registration is less than the minimum required. If Brookdale Community College cancels a camp, full refunds will be automatically granted. Refunds will be issued in the form of a check; please allow 2-4 weeks for processing. There is a $20 handling fee for switching sessions after the original registration.

Publicity
My child is permitted to participate/appear in group camp photos that may be used in future camp brochures. Please check one: [ ] Yes  [ ] No

Medical Care
I hereby certify that my child is in good physical health, has had a recent physical and may participate in all camp activities. I will not hold the College or camp personnel responsible in the event of an accident or injury resulting from my child's participation. If neither parent is available, I hereby authorize the Brookdale Camp and College staff to take emergency measures deemed necessary I give permission for my child to be provided emergency treatment at a local hospital.

[ ] Insurance Company name and policy number

Campers must bring epi-pens and inhalers labeled with the child's name. Campers must understand the proper use and care of epi-pens and inhalers. If necessary, Brookdale Camp personnel and/or Emergency First Responders will assist with the administration of epi-pens and/or inhalers. **My child uses an [ ] epi-pen  [ ] inhaler**

Medical information and anything else we should know: ____________________________________________________________

Boost Body & Brain –
Join Brookdale’s Fitness Center

YOU KNOW THAT EXERCISE:
■ Benefits your body’s health
■ Helps your brain stay sharp by improving learning and memory
■ Combats stress and lifts spirits

DID YOU KNOW?
The Brookdale Fitness Center introduces a unique combination of fitness classes, workout, and learning opportunities you will not find in retail gyms.

■ Experience a comfortable, relaxed, supportive fitness environment.
■ Learn strategies from credentialed professionals. Our fitness specialist holds a master’s degree in exercise science.
■ Step up your healthy habits, with trusted coaching.
■ Annual membership is less than $20 a month.

Whether you are new to the fitness world, maintaining healthy habits or a long-time Brookdale supporter, we welcome your membership and your support.

Members and non-members are welcome in our classes for:
■ Strength building
■ Cardio training
■ Core conditioning
■ Functional fitness
■ Personal training
