Smart Summer Fun
Starts At Brookdale!

Camps-on-Campus are specially designed to introduce new ideas, provide new perspectives, and spark new interests. We offer exciting programs for every age and stage.

Join us for your best summer ever!

Don’t let your child have all the fun this summer.

Brookdale offers a beautifully equipped Fitness Center, as well as Continuing Education classes, events, and programs for every passion and hobby! From movie making to mosaics, from Einstein to fine wines, from courtroom trials to writing styles, we can enrich your life in countless ways. Call 732-224-2315 for a spring or summer Lifelong Learning brochure.
ADVENTURE CAMPS
CAMPS-ON-CAMPUS

Morning Care And Aftercare
Offered at our Lincroft campus, before- and after-camp activities will keep your youngster busy and involved in a safe, supervised environment. A staff member will escort your child to and from camp locations at the appropriate times. Aftercare is available only for camps ending at 2 pm or later. Preregistration is required. Daily rates are not available.

NOTE: There will be no Morning Care or Aftercare during the week of 8/21-8/25.

Good News for Good Afternoons!
New Aftercare Options

Following 2 pm dismissal, several afternoon programs are available:

Traditional Aftercare provides a safe, comfortable classroom environment. Pick up by 6 pm is required.

**Brand-new Backyard Games** camps are now offered by Sports Camps. These programs will provide an assortment of outdoor games. See page 23 for details. Pick up at 6 pm is required.

Campers attending 9am–2pm programs may register for the following Digital Arts afternoon camps, in lieu of Aftercare, at a reduced price of $160.

- 7/10  Star Wars Animation
- 7/17  Video Game Animation
- 7/24  Game Labs
- 7/31  Maker Labs
- 8/7   Lego Comics

Each of these programs is appropriate for campers grades 4 and up. Pick up at 5:30 pm is required. For complete details see Digital Arts camps, page 8.

ARTS

Animals! Animals!
If your child likes art and loves animals, this experience is sure to delight. We'll draw, paint, sculpt, and get messy. Explore art media including oil pastels, acrylic paint, clay, collage, chalk pastels, and watercolor, all while learning to draw your favorite animals. Our curriculum meets National Standards for Art Education. Proudly present your work at a brief art show on Friday.

**XCHLC 203, $315**
7/31-8/4, 9am-2pm, Grades 2-4
The Art Of Photography – Learn How To Capture Summer In A Flash!

Wonder what it takes to envision an idea and then execute it as a piece of art? Photography is part art, part science, and part psychology. Learn about digital photography, including terminology, mechanics, and process, and how to choose subjects, lighting, and editing. Students will begin to develop a personal photographic style, to explore the creative meaning of images and to tell a story through photography. Please bring your digital camera, charger, memory card, card reader, and a creative mind!

XCHLC 179, $315
Section 1: 7/24 - 7/28, 9am-2 pm, Grades 9-11
Section 2: 8/7 – 8/11, 9am-2 pm, Grades 7-8

Ceramics And Sculpture Combo

3D Art = hands-on summer excitement! Create unique papier-mâché sculptures, plaster face masks, and ceramic projects you can actually use at home to eat and drink from! A variety of art materials will feed your creativity to design many three-dimensional pieces that you’ll enjoy for years to come. Make something memorable this summer.

XCHLC 224, $315
Section 1: 7/10 - 7/14, 9am-2 pm, Grades 6-8
Section 2: 7/17 - 7/21, 9am-2 pm, Grades 6-8

Creative Fashion

Create your own fabulous fashions by drawing, painting, and personalizing your own runway-worthy designs. Express yourself with style like a real fashion designer by creating a 3-dimensional design on your own personal miniature dress form. Impress family and friends with your styling skills by taking home a matted unique fashion sketch, sketches, templates, and original creation on a miniature dress form.

XCHLC 123, $315
7/17-7/21, 9am-2 pm, Grades 5-8
New! DIY Artistry
Be in style and on trend while creating artwork in this special Do-It-Yourself class. Wearable art (jewelry making), usable art, textile art, and recycled art, are just a few forms of individual expression. Create the coolest crafts posted on Pinterest & Etsy. Creativity will flourish while having fun.

XCHLC 273, $250 (4 day camp)
7/3-7/7, 9am-2pm, Grades 3-5

Drawing New Conclusions
Improve your drawing skills. Learn principles including perspective, proportion and composition to improve your drawing ability. We will incorporate cartooning into our activities developing a cartoon from storyboard to finished comic strip. This is a hands-on skill building class (not a computer program) Work with numerous media and new techniques to create challenging graphics and storytelling.

XCHLC 251, $315
8/14-8/18, 9am – 2pm, Grades 5-7

NEW! KIDZART: Fine Art Studio
Clay! Papier–mâché! “Glass” sculpture! Do you love art almost as much as you love summer? You’ll make a masterpiece every day as you bring your artistic skills to the next level. Through guided projects, we will show you how to use perspective, color, shading and texture to achieve amazing results in your drawings and paintings. Explore new and different fine art techniques with curriculum that meets National Standards for Art Education. Proudly present your work at a brief art show on Friday.

XCHLC 274, $315
7/24-7/28, 9am-2pm, Grades 2-5

NEW! TEENZART: Fine Art Studio
TeenzArt Fine Art Studio captures the passion and imagination of older students. This camp mixes technique and skill building with opportunities for creative freedom and self-expression. We have big plans in store including painting, sculpture, watercolor, pastels, printmaking and mixed media with projects that pack a lot of WOW! TeenzArtists, you will be encouraged to work together to learn, design, think, and create in a fun and relaxed atmosphere. Proudly present your work at a brief art show on Friday.

XCHLC 275, $315
8/7-8/11, 9am-2pm, Grades 6 & Up

732-224-2823 • www.brookdalecc.edu/summercamps
BUSINESS

The Money Camp
Future tycoons and financial wizards welcome! Learn from professional financial managers about how money is earned, managed, invested and saved. Personal budgets, the stock market, business plans and the ins and outs of borrowing money are all part of this rich week of summer. As a culminating activity, a behind-the-scenes visit to a local business operation will bring this lucrative week to an end.

XCHLC 186, $315
7/17 - 7/21, 9 am-2 pm, Grades 6-9

CHESS

Chess for Success
Don’t be a pawn! Learn how to outsmart both friend and foe. Chess develops skills in critical thinking, problem solving, analysis, and visualization – all while fostering confidence and sportsmanship. Learn tactics and strategic skills you can build upon all year. The High Technology High School Chess Club advisor and members of the High Technology Chess High School Team welcome novice and experienced players.

XCHLC 187, $315
7/10-7/14, 9 am-2 pm, Grades 6 & up

DIGITAL ARTS

Arts and Science take new form in today’s digital world. Introduce your child to the many forms of expression and creativity Digital Arts encourage. Black Rocket programs are fueled by imagination and designed to inspire a new generation of ideas in a unique learning environment.

All Black Rocket Productions’ camps mirror real life experiences and the collaborative nature of the creative process. Work in pairs or teams for most of the design process, and end camp with a finished product to take home and show family and friends.
App Adventures! The Next Level
Continue your quest to make the next viral app! Whether you want to move past the basic techniques learned in App Attack or want to jump right in, we are ready for you! Choose from a selection of different web-based (HTML5) mobile apps and explore more in-depth programming concepts. Student projects will be accessible on a Black Rocket site and can be played on any mobile device or computer. Publishing to App Stores not included. No prior experience is necessary and students do not need to own a smartphone or tablet to take the class. Work in pairs or teams for most of the program.

XCHLC 209, $315
8/14-8/18, 9am-2pm, Grades 7-9

App Attack!
Take the first steps into the world of mobile app design and customize your own game app! Using a specialized app & game development tool, students will explore the world of web-based (HTML5) mobile apps. In addition to learning the basics of mobile app design and game development, you will also see firsthand how the world of App publishing functions. Student-created apps will be accessible on a private site and can be played on any mobile device or computer. Publishing to App Stores not included. No prior experience is necessary and students do not need to own a smartphone or tablet to take the class. Work in pairs or teams for most of the program.

XCHLC 173, $315
Section 1: 7/10-7/14, 9am-2pm, Grades 5-7
Section 2: 7/24-7/28, 9am-2pm, Grades 7-9

Code Breakers
Calling all future coders, programmers, & designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the high school student who just made $1 million dollars for programming in his bedroom, this camp has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Work in pairs or teams for most of the program.

XCHLC 223, $315
Section 1: 7/10-7/14, 9am-2pm, Grades 7-9
Section 2: 7/24-7/28, 9am-2pm, Grades 5-7
Section 3: 8/14-8/18, 9am-2pm, Grades 3-5

Creative Design And Robotics
The world of the future belongs to…robots! In this cutting-edge class, students will learn the fundamentals of motorized mechanisms, design principles, sensors, and sound activation. Separate fact from fantasy by designing and building prototypes of task-oriented robots. Learn problem-solving to improve how their robots function in a series of design challenges! Work in pairs or teams for most of the program.

XCHLC 109, $315
Section 1: 6/26-6/30, 9am-2pm, Grades 5-7
Section 2: 7/31-8/4, 9am-2pm, Grades 3-5
Section 3: 8/7-8/11, 9am-2pm, Grades 7-9
Game Labs: Collaborate–Create–Compete

In The Ultimate Video Game Experience

For serious gamers only! Beyond 2D and 3D, now it’s time to advance to another level by competing with the world! Develop games with a partner using a unique game engine. Learn advanced-level editing, simple 3D modeling, intermediate event scripting, and the impact of game play on user experience. Work in pairs or teams for most of the program.

XCHLC 243, $195
7/24-7/28, 2:30-5:30pm, Grades 4 & Up

LEGO Video Games

Combine your two favorite activities: LEGOs and Video Games! Create your own LEGO characters and adventures in an interactive 2D Video Game. Everyone is welcome in this one of a kind class. At the end of the program, everyone will have a finished LEGO Video Game that can be shared with friends and family through a password protected Black Rocket website. Games are only compatible on PC computers; Mac versions can be created after the program for a $15 conversion fee. Work in pairs or teams for most of the program.

XCHLC 147, $250 (4 day camp)
7/3-7/7, 9am-2pm, Grades 3-5

NEW! Lego© Comics: Design Your Own Adventure!

In this LEGO adventure YOU are the star! Pick your favorite LEGO genre or create an alternate universe to create a digital illustrated story or graphic novel. Whether you want to fight alongside Superheroes, create a Minecraft story, hang with the Nexo Knights, or go into space with Rey and Finn, the only requirement is that you put yourself in the story! End the camp with a digital comic book that can be shared with friends and family on a password-protected website! Work in teams for most of the program.

XCHLC 280, $195
8/7-8/11, 2:30pm-5:30pm, Grades 4 & Up

Make Your First Video Game!

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we’ll explore. Games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, Mac versions can be created after the program for $15.00 conversion fee. Work in pairs or teams for most of the program.

XCHLC 087, $315
Section 1: 6/26-6/30, 9am-2pm, Grades 3-5, $315
Section 2: 7/3-7/7, 9am-2pm. Grades 5-7, $250 (4 day camp)

Make Your First 3-D Video Game!

Try this new version of a Black Rocket classic! This camp allows you to develop a game concept that goes well beyond the limitations of the traditional 2D game design classes and create an immersive 3D world. Learn the physics behind 3D games, explore beginner event scripting, level design, controlling flow of gameplay, and story telling. Games will be available on a password protected Black Rocket website to share with friends and family. Work in pairs or teams for most of the program.

XCHLC 145, $315
Section 1: 7/24-7/28, 9am-2pm, Grades 3-5
Section 2: 8/14-8/18, 9am-2pm, Grades 5-7
Section 3: 8/21-8/25, 9am-2pm, Grades 7-9
Maker Labs: Make Your First 3D Creation!
Calling all boys and girls who want to be the designers of the future! If you can dream it, you can make it - create your first action figure, design custom jewelry, or make a new toy, learn how to prepare a model for 3D printing, and create a design portfolio to showcase your work! Using professional-level modeling software, kids will sculpt, texture, and render their own 3D creation. No prior experience is necessary and 3D designs will be available on a password protected Black Rocket website to share with friends and family. (3D prints may be purchased separately through an online provider.) Work in pairs or teams for most of the program.

XCHLC 242, $195
7/31-8/4, 2:30pm-5:30pm, Grades 4 & up

Minecraft Animators
Bring your favorite Minecraft characters to life in an animated short film! Learn how studios like Pixar and Disney make movies like Inside Out and Frozen using techniques like keyframing, tweening, texturing, and animating rigged 3D models! Projects will be available on a Black Rocket website to share with friends and family. You do not need to own a Minecraft account to use the software in this class. Work in pairs or teams for most of the program.

XCHLC 262, $315
Section 1: 6/26-6/30, 9am-2pm, Grades 7-9
Section 2: 8/7-8/11, 9am-2pm, Grades 5-7
Section 3: 8/21-8/25, 9am-2pm, Grades 3-5

Minecraft Designers
If you love the game Minecraft, and always wanted to design your own world, this camp is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. To access projects at home, you must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Work in pairs or teams for most of the program.

XCHLC 222
Section 1: 7/3-7/7, 9am-2pm, Grades 7-9, $250 (4-day camp)
Section 2: 7/10-7/14, 9am-2pm, Grades 3-5, $315
Section 3: 7/17-7/21, 9am-2pm, Grades 5-7, $315

Minecraft Modders
Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password protected Black Rocket website to share with friends and family. To access their project at home, campers must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Returning campers can create more advanced projects that build on previous years.

XCHLC 241, $315
Section 1: 7/17-7/21, 9am-2pm, Grades 7-9
Section 2: 7/31-8/4, 9am-2pm, Grades 5-7
Section 3: 8/7-8/11, 9am-2pm, Grades 3-5

732-224-2823 • www.brookdalecc.edu/summercamps
NEW! Star Wars® Stop Animation
Make your own Star Wars adventure come to life! Bring in your favorite Star Wars action figures and create a short film. Whether you want to recreate a scene from Star Wars or design a new world of your own, this class brings your dreams to the screen. You will need to bring in Star Wars action figures or vehicles from home, but all other equipment is provided. Films will be available on a password-protected website to share with friends and family. Work in pairs or teams for most of the program.

XCHLC 279, $195
7/10-7/14, 2:30-5:30pm, Grades 4&Up

Video Game Animation
Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character's personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in your very own game. You do not need any prior experience in game design, animation, or sketching. Games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15.00 conversion fee. Students will work in pairs or teams for most of the program.

XCHLC 263, $195
7/17-7/21, 2:30pm-5:30pm, Grades 4&up

New! Virtual Reality: The Future is Now
Embark on an EPIC adventure in virtual reality! In this cutting-edge camp, learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. You do not need a mobile device to take the class, but to use the VR headset at home, you will need access to an Android or Apple mobile device.

Work in pairs or teams and VR Games will be available on a password-protected Black Rocket website to share with friends and family.

XCHLC 278, $325 (includes VR headset)
Section 1: 7/17-7/21, 9am-2pm, Grades 3-5
Section 2: 7/31-8/4, 9am-2pm, Grades 7-9
Section 3: 8/21-8/25, 9am-2pm, Grades 5-7

X-Games: The Ultimate Video Game Experience
Experience the ultimate in video game design. You've learned the basics, now it's time to take it to another level - an UNREAL level! Work on powerful computers with the industry-grade software the pros use! This camp is not meant for amateurs, but will give any aspiring game designer an idea of how to break into the video game industry. Start with the basics of level editing, 3D modeling, event scripting and story writing. Although the program ends on Friday, your experience is just beginning! You are provided with the software to continue your project at home, will have access to online Black Rocket tutorials, receive an additional 7 hours of online instruction from one of our game designers, and participate in a unique online community of gamers. Software, online tutorial and website hosting are all included. System requirements for home experience include: PC computer with 2 GB of RAM, 2.0 GHZ processor and a ShaderModel3-compatible video card.

XCHLC 130, $575
7/24-7/28, 9am-2pm, Grades 6-9
NEW! DRONES!

New! Ultimate Drone Games: Speed, Skill & Acrobatics
An action-packed STEM drone education program. Teams transition from the simulator to the remote control and enjoy a multitude of thrilling challenges on and off the ground! Get ready for a week of friendly competition as you and your team take to the sky and attempt to win the badge of the Ultimate Drone Games champion. Participants will experience the thrill of today’s latest drone technology including drones equipped with mini Nerf cannons and mini grabbers. It’s all about the grand finale as teams conquer challenges and earn points for the end-of-program event: Ultimate Drobot Games. Drone safety and the social responsibilities of flying drones are included in this camp.

XCHLC 282, $419
8/7-8/11, 9 am – 4 pm, Grades 4-6

New! Drone Flying: Search & Rescue
Drone search and rescue is a necessity for first responders around the world, adding a new layer of solutions to save lives across the globe. Now you too can take part in and learn from simulated missions during this action-packed and creative program. Learn how to fly and code drones while relying on their rescue team to utilize unique vantage points over specific areas on campus to locate victims and safely rescue them to safety. Teams will also learn invaluable lessons on how to quickly and accurately acquire aerial data that, in return, will enable them to make informed and targeted decisions for real-world positive applications. Drone safety and the social responsibilities of flying drones are included in this program.

XCHLC 283, $419
8/14-8/18, 9 am – 4 pm, Grades 6-8

732-224-2823 • www.brookdalecc.edu/summercamps
**New! JFK Assassination Investigation and Mock Trial**

Conduct a week-long investigation into the assassination of President John F. Kennedy. Did Lee Harvey Oswald act alone or was he part of a conspiracy? Study audiovisual evidence, eye witness statements, and medical reports to see if we can find the answer. The camp will end with a debate and mock trial of Lee Harvey Oswald.

**XCHLC 281, $315**  
7/17 – 7/21, 9am-2pm, Grades 7-10

---

**Paranormal Investigators Wanted!**

Are you a fan of ghost hunting shows on TV? Fascinated by this intriguing subject? This is your chance for hands-on experience using such equipment as EMF and K-2 Meters, the SB-7 radio, static detectors, and laser grids. You will go through all the methods and technology used by ghost hunters in the field. Explore the Salem Witch Trials, Amityville, and Roswell. Examine audiovisual evidence as well as the history and background behind famous legends and lore. **Note: this camp deals with theories and assessments of unexplained phenomena that may not be suitable for some children.**

**XCHLC 244, $315**  
7/24-7/28, 9 am-2 pm, Grades 7-9

---

**Politics and Debate Camp**

Calling all young debaters and politicians! Join us as we take a thoughtful look at different social and political theories and laws, and their application in governments and societies around the world. Current “hot topic” events, and what's going on in the world will guide us throughout the week as we discuss and debate. Time will also be devoted to examining different moments from history. No two days will be alike! Be prepared for an intense week of organized debating and critical thinking. Debate teams are welcome to bring their own material to sharpen their skills.

**XCHLC 265, $315**  
Sec 1: 7/10 - 7/14, 9 am-2 pm, Grades 7-10

---

**War and Battle Tactics History Camp**

Join us as we examine famous battles and wars throughout history. We will explore the weapons and technology used as well the tactics employed by commanders to win each battle. From Ancient Rome through World War II and Vietnam, this camp will cover it all. By registering you are giving permission to view PG-13 rated film clips that may include battlefield violence. We will also attempt to stage our own Nerf battles using the tactics we are exploring.

**XCHLC 266, $250 (4-day camp)**  
7/3-7/7, 9 am-2 pm, Grades 6-9
LAW AND ORDER

Day in Court

Play the roles of judge, defendant, plaintiff, witness, lawyer, bailiff or juror in several mock trials. Learn how to make opening and closing statements, how to phrase objections and how to question witnesses. Pull all your skills together at the end of the week as you participate in a final mock trial based on actual events. Family and friends invited to watch!

XCHLC 007, $315
7/24-7/28, 9 am-2 pm, Grades 5-7
7/31-8/4, 9am-2pm, Grades 7-9

Global Citizenship

Do current events make you wish to change the world? Begin the journey—become a voice for change. Explore contemporary issues in human rights and social justice. Guest speakers and diverse resources will aide our discovery of what it means to be a global citizen. Create a plan to address a global or local problem. Develop your voice as an activist. This unique newly developed program will take place at the Chhange Center at Brookdale. Join us and get inspired and empowered.

XCHLC 270, $315
8/7-8/11, 9am-2pm, Grades 6-9

MATH

Mathematical Puzzles Plus!

Let Brookdale’s math faculty lead you on an adventure of mathematics manipulatives. Through hands-on activities and problem solving challenges, you will learn about topics like fractals, the Tower of Hanoi math puzzles, and math video games! Math + Puzzles = Fun!

XCHLC 229, $315
8/14 - 8/18, 9 am-2 pm, Grades 3-5
Give your children roots in STEM this summer. Watch them bloom!

21st Century STEM (Science, Technology, Engineering, And Math) - Part 1

Science is about discovery; engineering is about creating solutions. Become an architect, engineer, technician and construction worker using technology skills to solve problems. Age-appropriate designs may include: Egg Drop Survival, Soda Can Racers, boat, bridge, catapult and flying gizmo designs. Interactive, hands-on computer lab challenges help to round out this powerful experience.

XCHLC 071, $315
Section 1: 7/10 - 7/14, 9 am-2 pm, Grades 2-3
Section 2: 7/17 - 7/21, 9 am-2 pm, Grades 4-6

Continue 21st Century STEM - Part 2

See 21st Century STEM; new activities, new learning adventures. Camp may be taken independent of Part 1.

XCHLC 226, $315
Section 1: 7/24 – 7/28, 9am-2 pm, Grades 4-6
Section 2: 7/31 – 8/4, 9am-2 pm, Grades 2-3

CODE! A Smart Start To Computer Science Basics

This creative environment for learning basic coding and computer science uses a mix of online activities and “unplugged” hands-on activities. This camp nurtures creativity, problem solving, collaboration, and logic through tutorials like Star Wars, Minecraft, and more. Every camper will have access to all the online computer activities outside the classroom during and after the completion of camp.

XCHLC 268, $315
Section 1: 7/10 – 7/14, 9am-2pm, Grades 4-6
Section 2: 7/24 – 7/28, 9am-2pm, Grades 2-3

Engineering Explorations

As an engineer you will learn physical science concepts and use them as you design, construct, test and analyze results. Then, you will reconstruct, retest and reanalyze results to determine whether design modifications were effective. Design and construction competitions may include bridges, roller coasters and amusement park rides, electric circuits, rockets and space vehicles, energy efficient buildings and interactive computer challenges.

XCHLC 089, $315
Section 1: 7/17 - 7/21, 9am-2 pm, Grades 2-3
Section 2: 7/31 – 8/4, 9am- 2 pm, Grades 4-6

A Crazy Combination - Art Meet Science

The most beautiful thing we can experience is the mysterious.
It is the source of all true arts and science. ~ Albert Einstein

Join us for a fun-filled week of hands-on, minds-on activities that combine science with music and art. Each day will begin with singing and playing musical instruments, while learning the science concepts of sound, matter, life and water cycle and more. Spend the remainder of the day exploring and applying your knowledge through hands-on science experiments, as well as creative art projects.

XCHLC 225, $315
8/7 – 8/11, 9am-2 pm, Grades 2-3
Journey To Veterinary Careers
Discover the many career opportunities our furry friends provide. Learn what veterinary professionals do in their exciting careers and the education required. Guest presenters include veterinarians, veterinary technicians and assistants, veterinary practice managers, veterinary educators, veterinary sales representative, canine police officers, zookeeper, animal control officer, lab animal research and the staff from The Seeing Eye! Program includes two days of field trips: a tour of the Monmouth County SPCA, and a full day at Red Bank Veterinary Hospital in Tinton Falls for an up-close look at veterinary medicine in action. Camp concludes with a hands-on pet first aid workshop on a canine mannequin!

XCHLC 126, $315
7/31 - 8/4, 9am-2 pm, Grades 6-9

Science Sleuths
Become a science detective as you explore the many facets of the science world. This week is packed with fun-filled, hands-on, minds-on science activities, as you learn about being a CSI, paleontologist, oceanographer, astronaut, chemist or biologist. Investigate a murder mystery, the properties of slime, Mysterious Yuk, mystery powders, pollution and more.

XCHLC 201
Section 1: 6/26 – 6/30, 9 am-2 pm, Grades 2-3, $315
Section 2: 7/3 - 7/7, 9 am-2 pm, Grades 4-6, $250 (4 day camp)

New! Sizzling Science Sampler
Become an earth scientist, a life scientist and a physical scientist as you explore the mysteries and wonders of science through active participation in exciting, fun-filled, hands-on lab activities.

XCHLC 277, $315
8/14 - 8/18, 9am-2 pm, Grades 3-5

New! Bioethics in the 21st Century
Be introduced to some of the 21st century issues in bioethics by Holmdel High School’s AP Microbiology teacher. Topics to include issues surrounding stem cell technology, gene editing with CRISPR, introducing genetically modified organisms into the environment, xenotransplantation, cloning technologies, the use of DNA vaccines, ownership and access to a person’s genetic information, and more! Learn about the science behind these issues and how to engage in an organized and thoughtful debate from multiple stakeholder perspectives. Activities will include the use of case-studies, videos, articles, discussions and debates.

XCHLC 284, $315
8/14 – 8/18, 9am – 2pm, Grades 8-9
Ocean Adventures

From collecting sea creatures in Sandy Hook Bay, hunting for fossils from the ocean's past, to exploring our changing coastal environments, lighthouses, historic Fort Hancock and more, join us for 5 days of discovery at our Jersey seashore. Our daily Ocean Adventure field trips and activities are so much fun it will be hard to believe how much you are learning. Science, history, weather and the ocean will never look the same after you've gained a mariner's point of view.

XCHLC 025, $315 (bus included)
Section 1: 7/17-7/21, 9am-2 pm, Grades 4-7
Section 2: 7/31-8/4, 9am-2 pm, Grades 4-7

NEW! Lenape Exploration at Sandy Hook

Join us for a week of field trips to Sandy Hook and the surrounding area to explore the former territory of the Lenni Lenape and Navesink Indian tribes. The New Jersey coast was their home for hundreds of years, and we will explore the areas and resources they used to survive and thrive. Hunt for artifacts and arrowheads, go on woodland hikes, study and gather plants and fruits, make our own jewelry and tools from what we find on the beach, and even go fishing the Navesink way. Join us for a week of fun and discovery as the history and survival of our area's first inhabitants is revealed.

XCHLC 285, $315 (bus included)
8/14-8/18, 9am-2pm, Grades 5-8

Ocean Adventures and Lenape Exploration are held at Sandy Hook. Brookdale thanks the National Parks Service at Sandy Hook and Historic Twin Lights for allowing us access to their buildings for our public programs.
SCIENCE - ACADEMY HIGH SCHOOLS

Camps-On-Campus presents the following fun and unique learning experiences in partnership with the Monmouth County Vocational School District. Programs take place at the individual academy high school locations. Camp participation will not impact admission to the vocational school district academy high schools.

Biotech Boot Camp

Touch the exciting field of biotechnology. Use state-of-the-art equipment to perform scientific techniques including: DNA gel electrophoresis, DNA fingerprinting, genetic engineering of bacteria to glow in the dark, and identification of genetically modified organisms. Explore current issues, including stem cell and cloning.

XCHLC 127, $315
Section 1: 7/10 - 7/14 – co-ed, 8 am-1 pm, Grades 7-8
Section 2: 7/17 - 7/21 – co-ed, 8 am-1 pm, Grades 7-8
Section 3: 7/24 - 7/28 – girls only, 8 am-1 pm, Grades 7-8
Biotechnology High School - Freehold, 5000 Kozloski Rd. Brown bag lunch required. For laboratory safety: no glass containers, no open sandals.

Digital Circuit Technologies

This is where electrical engineering, the field of designing and developing new equipment, begins. Discover the inner workings of digital circuits by building simple digital electronics. Learn the basics of soldering techniques then move on to more difficult projects. Explore the inner workings of integrated circuit chips to build circuits on computers using logic gates. Completed projects can be brought home after last day of camp.

XCHLC 220, $315
7/17 - 7/21, 9am-2 pm, Grades 6-8

Digital Art With Photoshop

Ever wanted to create your own computer artwork or manipulate digital pictures? Want to add images to a photo or change someone's appearance? Here is your chance to learn Photoshop skills in a fun summer camp environment. Learn how to use Photoshop tools to create, improve and manipulate images. We will also explore how magazines manipulate images to market products to consumers.

XCHLC 219, $315
7/10 - 7/14, 9am-2 pm, Grades 6-8
Historical Technology

Join us and learn about historical technologies and how they changed the world. Then, actually build some of these working technologies. Campers will design and build fully functioning technologies while learning engineering design drawing techniques. Design and build a hot air balloon – then fly it! Build and take home a working catapult, sundial, hypsometer and hovercraft – racing your hovercrafts the last day of class. You are required to bring/wear long pants & shoes while in the technology lab.

XCHLC 254, $315
7/17-7/21, 9am-2 pm, Grades 6-8

Magnetic Levitation And Solar Technology

Mag-lev vehicles are intended to provide the high-speed transportation of people and goods to move rapidly and efficiently along a magnetic guide-way. The aerodynamic efficiency of the vehicle shape is very important to the success of transportation. An aerodynamically efficient body shape reduces friction between the air and the vehicle. In this program, campers will design, build, test and race a vehicle across a track. Learn electronic concepts covering direct current obtained through solar cell power and build solar activated devices. Campers are instructed in safety methods using tools. Each camper will successfully design and build a solar powered device to take home.

XCHLC 269, $315
7/24-7/28, 9am-2pm, Grades 6-8

Web Site Building Technology

Begin the week building websites using rapid prototyping tools such as Google Sites. After mastering these skills, campers move onto building websites using raw HTML Hypertext Markup Language. Campers have the option to incorporate technologies such as hyperlinks, cascading style sheets, JavaScript, tables and more in building websites. Continue building websites on your own after the camp concludes.

XCHLC 255, $315
7/24 - 7/28, 9 am-2 pm, Grades 6-8
STAGE & SCREEN

New! Acting for The Camera

For aspiring young ‘actors’. Learn real auditioning skills by working with scripts for commercials and film readings. Learn how to personalize characters and follow direction, block for camera and read with ‘co-stars’. Improvisation and ad-libbing (off the script) will be taught as a basis of making acting choices and trusting instincts. Included in this camp is a take-home tutorial showing ways to find acting jobs and a list of legitimate talent agencies. This camp is designed by casting director Kathy Wickline, CSA, who holds over 10,000 casting credits in film, commercials, and TV. (Included in this camp is a professionally edited flash drive for lifetime keepsake. Please allow up to 3 months for editing/delivery.)

XCHLC 271, $315
8/7-8/11, 9am – 2pm, Grades 8-10

New! Intro to Film & TV: On Camera Acting and Behind the Scenes

Work as cast and crew teams in this cool camp. Learn basic levels of acting, directing and operating the camera. Script writing, storyboarding and improvisation will also be introduced. Projects include commercials, film scenes, music videos and public service announcements. Each day is different as campers create original projects and learn the basics of the biz. This camp is designed by casting director, Kathy Wickline, CSA (www.wicklinecasting.com) who holds over 10,000 casting credits in film, commercials and TV. (Included in this camp is a professionally edited flash drive for lifetime keepsake. Please allow up to 3 months for editing/delivery.)

XXCHLC 272, $315
7/24-7/28, 9am – 2pm, Grades 6-8

New! Theater and Storytelling: From Page to Stage

Bring your storytelling creativity from the page to the stage. Inspired and led by award winning children’s author and artist, Janine L. Kimmel (The Magic Gown and The Yawning Rabbit River Chronicle), this original and imaginative week will lead campers to the creation of their own story that comes to life on stage. Three days of classroom collaboration and inspiration will be followed by two days of performing arts center production. Camp includes storytelling ideas and prompts from the instructor’s books that include maps, poems, songs, dreams, the natural world and real life experiences that all come together to create an original stage production.

XCHLC 276, $315
7/10 - 7/14, 9am-2pm, Grades 4-6

732-224-2823     •     www.brookdalecc.edu/summaercamps
WRITING

Young Writers Adventures
Are you ever stuck for inspiration? Creative artists, professional writers, and dynamic Brookdale Community College Professors will help you expand your writing abilities and create your own portfolio. Have fun while you try your hand at description, dialogue, fantasy and fact. Experience guest writers and artists, interesting readings, and more. Join us!

XCHLC 018, $499 (no camp 7/4)
Section 1: 7/3 – 7/14, 9am - 2pm, Grades 5-6(2 weeks)
Section 2: 7/3 – 7/14, 9am – 2pm, Grades 7-9(2 weeks)

FOR HIGH SCHOOL STUDENTS

Auto Tech Intro
Find out where the rubber meets the road. Explore auto tech fundamentals in our state-of-the-art automotive facility. Learn some of the basics of automotive service such as oil changes, brake inspections and tire mounting and balancing. Whether you are a future automotive tech or a car-loving consumer, this is a rare opportunity to find out if what's under the hood is under your skin. Proper attire required in lab: no shorts, tank tops or open-toed shoes. Program meets at Lincroft campus state-of-the-art Auto Tech Lab/Bay.

XCHLC 194, $219
8/14-8/18, 9 am-12 pm, Grades 9-12

Engineering Design - An Introduction
Use engineering design principles while utilizing 3-D CAD software. Learn to read engineering drawings for manufacturing products, and review American National Standards Institute guidelines for designing products. Identify, create, and read working drawings, apply dimensions, identify and create pictorial drawings, and learn sketching techniques. Create orthographic, oblique, isometric, and perspective sketches and exploded views. AutoDesk Inventor and modeling software provide hands-on experience. Create a digital portfolio to save, and download a free copy of AutoDesk Inventor.

XCHLC 193, $315
7/10-7/14, 9 am-2 pm, Grades 9-11

Baking Basics/Culinary Education Center
Be introduced to the fundamentals of baking in a commercial kitchen and taught by a professional chef. Topics include: Scaling and measurements; ingredient fundamentals and the principles and techniques used in the preparation of baked goods, equipment, food safety and sanitation. Hands-on baking to include a wide variety of recipes (i.e. cream puffs, pastry cream, chocolate almond tarts, cappuccino chip biscotti) Professional kitchen rules apply – students will clean equipment, tools after use and must wear long pants, and closed-toe shoes (no loafers, sandals, etc.)

XCHLC 287, $179
7/11-7/13, Tues-Thurs, 9am–1pm, Grades 9-11(3 day camp)
Program takes place at the Culinary Education Center (101 Drury Lane, Asbury Park, NJ)

Also - see The Art Of Photography, Grades 9-11, page 4
2017 SUMMER SPORTS CAMPS

We deliver a comprehensive schedule of specialized instruction for boys and girls ages 6-18. Our approach combines individual athletic training and cooperative teamwork with competitive play – always emphasizing true sportsmanship and safety.

We are proud to have experienced instructors – from collegiate coaches who have won National Championships to certified martial artists who have competed in the Olympic Games – on staff to coach your camper. Local collegiate athletes also assist our senior counselors. Our state-of-the-art indoor facilities include amenities such as three full-size basketball courts and a four-lane track.

Brookdale Camps boast a camper-to-staff ratio below 10-to-1. This allows our counselors to provide individualized training. It’s important to us that your child not only has fun but learns the sport from highly experienced instructors.

At Brookdale, the Jersey Blues Sports Camps combine caring, experienced counselors with Brookdale’s outstanding facilities to provide one of the state’s most exciting, fun-filled, and reputable day camps. See you this summer!

BASKETBALL

Basketball Training Camp
A co-ed, fundamentals camp where campers will be exposed to a variety of drills and skill work, tested in game situations and compete daily in afternoon coached games. The Collins Arena and Brookdale Recreation and Events Center include air-conditioned gymnasiums and three full-size courts.

Section 1: 7/10-7/14
Basketball Training Camp, Ages 9-15, 9 am-2 pm, $225, 301-01
Half Day Skills Camp, Ages 8-10, 9 am-12 pm, $165, 301-02

Section 2: 7/24-7/28
Basketball Training Camp, Ages 9-15, 9 am-2 pm, $225, 301-03
Half Day Skills Camp, Ages 8-10, 9 am-12 pm, $165, 301-04

Section 3: 8/7-8/11
Basketball Training Camp, Ages 9-15, 9 am-2 pm, $225, 301-05
Half Day Skills Camp, Ages 8-10, 9 am-12 pm, $165, 301-06
BACKYARD GAMES

Backyard Games Camp

A co-ed, basic camp where campers will be exposed to a variety of outdoor games, including but not limited to Ladderball, Bean Bag toss, Spikeball and Kan-Jam. This camp will be offered as a late afternoon option.

Section 1: 7/10-7/14
  Backyard Games Camp, Ages 9-15, 2 pm-6 pm, $99, 701-01

Section 2: 7/17-7/21
  Backyard Games Camp, Ages 9-15, 2 pm-6 pm, $99, 701-02

Section 3: 7/24-7/28
  Backyard Games Camp, Ages 9-15, 2 pm-6 pm, $99, 701-03

Section 4: 7/31-8/4
  Backyard Games Camp, Ages 9-15, 2 pm-6 pm, $99, 701-04

Section 5: 8/7-8/11
  Backyard Games Camp, Ages 9-15, 2 pm-6 pm, $99, 701-05

CHEER/DANCE

Cheer/Dance Camp

Campers will learn cheers, chants, choreography, tumbling, crafts, and basic pyramids, while working alongside and being coached by Brookdale's collegiate cheerleaders and head Cheer/ Dance coach who is AACCA cheer safety certified and VIRTUS certified. Camp closes with a presentation of learned routines. This program is designed for beginning to intermediate cheerleaders.

Section 1: 7/10-7/14
  Cheer/Dance Camp, Ages 6-11, 9 am-12 pm, $165, 801-01

Section 2: 7/10-7/145
  Cheer/Dance Camp, Ages 12-16, 1 pm-4 pm, $165, 801-02

FIELD HOCKEY

Field Hockey Training Camp

Both sessions provide individualized instruction to develop all related technical skills. Both will provide skill work and game play. Camp will focus on the fundamentals of the game including: offensive strategy, passing, shooting, defense, game strategy and stick work.

Section 1: 7/24-7/28
  Field Hockey Training Camp, Ages 10-15, 9 am-2 pm, $225, 901-02
**FENCING**

**Fencing Camp**

This half-day program is designed to introduce the sport of fencing to boys and girls ages 9-15. Led by professional and world-class fencers, this camp promotes the safety and technique of the classical Olympic sport. All equipment will be provided. Space is limited.

- **Section 1:** 7/17-7/21
  - Fencing Camp, Ages 9-15, 9 am-12 pm, $ 165, 110-01
- **Section 2:** 7/31-8/4
  - Fencing Camp, Ages 9-15, 9 am-12 pm, $ 165, 110-02

**GIRLS VOLLEYBALL**

**Girls Volleyball Training Camp**

**Ages: 9-14 years old** - This camp is designed as an introduction for beginners into the world of volleyball. Coaches will break down the sport into positions, setting, passing, hitting and serving. Focusing on these fundamentals will allow us to develop each skill over the week and provide a fun pressure-free environment to learn the basics of Volleyball.

**Ages: 14-18 years old** - This camp is designed for an athlete that has been exposed to the sport of volleyball but is looking to grow their fundamental skill set and take their game to the next level. Skill work will be focused on serving, hitting, passing and setting. This skill work will be customized to each athlete’s skill level entering the camp with developmental training as its sole goal. Our staff for this camp is led by the Jersey Blue volleyball coaching staff and alumni.

- **Section 1:** 7/3-7/7 (no camp 7/4)
  - Girls Volleyball Training Camp, Ages 9-14, 9 am-noon, $ 150, 601-01
- **Section 2:** 7/17-7/21
  - Girls Volleyball Training Camp, Ages 14-18, 9 am-2 pm, $ 225,601-02

**INDOOR TRACK RUNNING**

**Indoor Track Running Camp**

Headed by the Brookdale cross country staff, this camp is designed for beginners through advanced runners interested in improving technique and performance. Daily schedule will include race strategy, form analysis, long and short track workouts, stretching, nutrition and the importance of rest. Runners will be grouped by age, ability and conditioning. Open to boys and girls ages 10-14.

- **Section 1:** 7/31-8/4
  - Indoor Running Camp, Ages 10-14, 9 am-noon, $ 165, 112-01
SOCCER

Soccer Training Camp
A co-ed, fundamentals camp where campers will be exposed to a variety of drills and skill work, tested in game situations, and compete daily in afternoon games. Campers will be split into small groups, based on level, where they will receive instruction on the fundamental areas to create the complete player.

Section 1: 7/17-7/21
- Soccer Training Camp, Ages 10-14, 9 am-2 pm, $225, 401-01
- Half Day Training Camp, Ages 8-10, 9 am-12 pm, $165, 401-02

Section 2: 7/31-8/4
- Soccer Training Camp, Ages 10-14, 9 am-2 pm, $225, 401-03
- Half Day Training Camp, Ages 8-10, 9 am-12 pm, $165, 401-04

SOFTBALL

Softball Hitting and Fielding Training Camp
Individualized instruction for girls for every field position, with daily games and plenty of batting practice. Campers have access to college-level facilities, including indoor batting cages and use of our collegiate field. Our staff is led by the Jersey Blues coaching staff and includes some of the top players and coaches in the shore area.

Section 1: 7/31-8/4
- Softball Training Camp, Ages 10-14, 9 am-noon, $165, 201-01

TENNIS

Tennis Training Camp
A program designed with the beginning or intermediate player in mind. An introduction to all tennis strokes is provided, along with fun competition. Our staff is led by the National runner-up Jersey Blues Tennis coaches and players

Section 1: 7/10-7/14
- Tennis Training Camp, Ages 8-13, 9 am-12 pm, $165, 501-01

Section 2: 7/24-7/28
- Tennis Training Camp, Ages 8-13, 9 am-12 pm, $165, 501-02
FAST START FOR HIGH SCHOOL STUDENTS

Fast Start Program - Summer 2017
Attend college this summer! Enroll in college-level courses at Brookdale Community College through the Fast Start Program. Summer III Term courses start on July 5, 2017.

What is the Fast Start Program?
The Fast Start Program allows qualified high school sophomores, juniors, seniors and home schooled students to enroll in college-level courses at Brookdale. Students may enroll in one or two courses during Brookdale’s Summer III Term (July 5 – August 15).

How do students qualify for the Fast Start Program?
To qualify for the Fast Start Program, students must have completed the 9th grade, be at least 15 years old, and pass all sections of Accuplacer. Please review a detailed list of requirements at www.brookdalecc.edu/fast-start.

How do students get started in the Fast Start Program?
Students interested in the Fast Start Program should contact Donna Cuddy, Associate Director, Dual Enrollment, at 732-224-2574 or dcuddy@brookdalecc.edu to request a Fast Start application packet or for answers to any questions.

Come to the Monmouth Museum

Name on card Signature
Camps-On-Campus Policies

Programs are intended to be educational and fun. To ensure campers have a positive experience we have instituted the following policies.

Sign-In/Sign-Out Procedure
You must escort and sign your child in at his/her destination. At the end of the program, your child must be picked up and signed out. Campers are only permitted to leave camp with a parent or individual identified by parents in a written request.

Minor students, ages 13 and up, can sign-in and sign-out unattended. Your child may leave the program-premises by his/her own means, with arrangements made by you to meet at a designated location immediately following dismissal. All visitors to Brookdale Community College must abide by all laws, policies and regulations in effect during the time of enrollment in classes and camp programs.

If you DO NOT want your teenager, age 13 and up, to arrive and leave the program premises unattended, please sign below:

Parent Signature

Camper Code of Conduct Agreement
Camper safety is our priority. Cursing, bullying, name-calling or behavior deemed unsafe by camp staff compromises the experience for everyone and will not be tolerated. Parents or guardians will be notified if campers exhibit these negative behaviors. If immediate improvement in behavior is not evident, the camper will be dismissed from camp without refund. Dangerous behavior, such as fighting, is grounds for immediate dismissal. Cell phones/other electronic devices must be turned off prior to camp start time.

Parent/Guardian Signature (Required for Camp Policies) Date

Camper Signature (Required for Code of Conduct Agreement) Date

Refund Policy
If a parent must cancel his/her child's camp registration(s), our refund policy is as follows: 10 or more days prior to camp, payment will be fully refunded less the $75 non-transferable deposit; 9 days or less prior to camp, we will hold ½ of the fee and refund the balance; no refunds will be issued once a camp program begins. Appeals require documentation of an emergency. The College reserves the right to cancel a camp in which the registration is less than the minimum required. If Brookdale Community College cancels a camp, full refunds will be automatically granted. Refunds will be issued in the form of a check; please allow 2-4 weeks for processing. There is a $20 handling fee for switching sessions after the original registration.

Publicity
My child is permitted to participate/appear in group camp photos that may be used in future camp brochures. Please check one: ☐ Yes ☐ No

Medical Care
I hereby certify that my child is in good physical health, has had a recent physical and may participate in all camp activities. I will not hold the College or camp personnel responsible in the event of an accident or injury resulting from my child's participation. If neither parent is available, I hereby authorize the Brookdale Camp and College staff to take emergency measures deemed necessary I give permission for my child to be provided emergency treatment at a local hospital.

Insurance Company name and policy number

Campers must bring epi-pens and inhalers labeled with the child's name. Campers must understand the proper use and care of epi-pens and inhalers. If necessary, Brookdale Camp personnel and/or Emergency First Responders will assist with the administration of epi-pens and/or inhalers. My child uses an ☐ epi-pen ☐ inhaler

Medical information and anything else we should know:

Boost Body & Brain –
Join Brookdale’s Fitness Center

YOU KNOW THAT EXERCISE:
■ Benefits your body’s health
■ Helps your brain stay sharp by improving learning and memory
■ Combats stress and lifts spirits

DID YOU KNOW?
The Brookdale Fitness Center introduces a unique combination of fitness classes, workout, and learning opportunities you will not find in retail gyms.
■ Experience a comfortable, relaxed, supportive fitness environment.
■ Learn strategies from credentialed professionals. Our fitness specialist holds a master’s degree in exercise science.
■ Step up your healthy habits, with trusted coaching.
■ Annual membership is less than $20 a month.

Whether you are new to the fitness world, maintaining healthy habits or a long-time Brookdale supporter, we welcome your membership and your support.

Members and non-members are welcome in our classes for:
■ Strength building
■ Cardio training
■ Core conditioning
■ Functional fitness
■ Personal training
