48 Hours Advance Notice is typically required for CulinArt to satisfy your dining needs. Our objective is to accommodate your needs; to ensure selection and availability, we request that functions be scheduled with as much advance notice as possible. Of course, we will make every effort to satisfy your dining service needs with reasonable notice. On occasion, your special function may require the hiring of additional personnel. Please notify us as soon as possible of any cancellations to avoid being charged unnecessarily.

Regular Catering Service Hours are 7:00 AM – 5:00 PM Monday thru Friday. Orders deliverable during regular hours will receive no service charge. Catered orders scheduled outside of regular business hours will receive an additional overtime rate charge.

Orders Cancelled 48 hours or more prior to specified set up time will not incur a cancellation fee. Orders cancelled within 48 hours of specified set up time will be billed a cancellation charge: 50% of the total food and beverage cost.

Responsibility for Catering Equipment provided with your order lies with the individual authorizing the order. All equipment must be returned with the order. CulinArt will pick-up all food, beverage, and equipment approximately 2 hours after the delivery time. Any equipment removed from the original drop-off location must be returned for pick-up prior to the time specified. Any equipment that is lost, broken or removed from the service site will be charged to the individual who authorized the original order at CulinArt’s replacement cost.

For the Safety and Well-being of our clients and guests, food and beverages are not permitted to leave the premises of a catered event. In the rare case there is remaining food, all efforts are made by the catering department to donate the food to a local reputable charity.

Special Function Labor may be required for your event. CulinArt will make specific recommendations on the type and number of special servers, chefs, bartenders, etc. All special function labor is charged at $28/hour with a guaranteed five-hour minimum.
