## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of  
Brookdale Community College  
Lincroft, New Jersey

### Report on Financial Statements

We have audited the accompanying financial statements of WBJB-FM Radio (a public radio station operated by Brookdale Community College) ("the Station"), which comprise the statements of net position as of June 30, 2021 and 2020, the related statements of revenues, expenses, and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements, which collectively comprise the Station's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Station as of June 30, 2021 and 2020, and the respective changes in net position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Emphasis of a Matter**

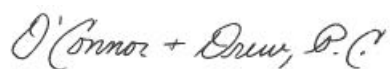

As more fully discussed in Note 1, the financial statements of the Station are intended to present the net position, revenues, expenses and changes in net position and cash flows that are attributable to the transactions of one department of Brookdale Community College. They do not purport to, and do not, present fairly the financial position of Brookdale Community College as of June 30, 2021 and 2020, and the changes in its financial position and its cash flows for each of the years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Other Matters**

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 31, 2022, on our consideration of the Station's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Station's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Brookdale Community College's internal control over financial reporting and compliance.

Notes to the Financial Statements  
For the Years Ended June 30, 2021 and 2020

**(1) Organization and Summary of Significant Accounting Policies**

***Organization***

WBJB-FM Radio (the “Station”) is a department of Brookdale Community College (the “College”). The College does not routinely produce separate financial statements for its departments; however, for purposes of complying with the Corporation for Public Broadcasting’s financial reporting guidelines, the accompanying financial information is presented as if the Station is a separate entity. In order to obtain the accounting information necessary to produce the accompanying financial statements, common expense items of the College were allocated to the Station.

The Governor of New Jersey declared a state of emergency from March 2020 to June 2021 due to the COVID-19 outbreak. The Station does not perform any essential services. The Station did continue to operate in a limited capacity after the start of the emergency. The COVID-19 crisis created volatility in the financial markets and the overall economy.

***Summary of Significant Accounting Policies***

***Basis of Presentation***

The accounting policies of the Station conform to accounting principles generally accepted in the United States of America as applicable to colleges and universities, along with all applicable Governmental Accounting Standards Board (“GASB”) pronouncements.

***Net Position***

The College classifies its resources into three net position categories:

- ***Net Investment in Capital Assets*** – Capital assets, net of accumulated depreciation.
- ***Unrestricted*** – All other categories of net position. Unrestricted net position may be designated by actions of the Station’s Board of Trustees.
- ***Restricted:***

*Nonexpendable*- Net position subject to externally-imposed stipulations that must be maintained permanently by the Station.

*Expendable*- Net position whose use by the Station is subject to externally-imposed stipulations that can be fulfilled by actions of the Station pursuant to the stipulations or that expire by the passage of time.

The Station did not have any restricted net position as of June 30, 2021 or 2020.

***Equipment***

Equipment is recorded at cost or, in the case of donated equipment, at estimated fair value at date of receipt. Depreciation is recorded on a straight-line basis over the estimated useful lives of the respective assets, which range from 5 to 10 years.

**A PUBLIC RADIO STATION OPERATED BY**  
**BROOKDALE COMMUNITY COLLEGE**  
Notes to the Financial Statements - Continued  
For the Years Ended June 30, 2021 and 2020

**(1) Organization and Summary of Significant Accounting Policies (continued)**

***Summary of Significant Accounting Policies (continued)***

***Cash and Equivalents***

Cash and equivalents include all highly liquid investments with maturities of three months or less.

***Accounts Receivable***

The adequacy of the allowance for doubtful accounts is reviewed on an ongoing basis by the Station's management and adjusted as required. The policy for determining past due or delinquency status of accounts receivable is based upon how recently payments have been received. Management believes all amounts are collectable and, as a result, has not reflected an allowance for doubtful accounts for the years ended 2021 and 2020.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support and revenue and expenses during the reporting period. Actual results could differ from these estimates.

***Financial Dependency***

The Station receives appropriations and support from the College, and is economically dependent on these amounts to carry on its operations.

***Unearned Revenue***

Amounts received from grants which have not yet been earned under the terms of the agreements are recorded as unearned grant revenue in the accompanying statements of net position. Unearned revenue will be recorded as revenue as the services are provided.

***Contributions***

Contributions are recognized as revenue when the conditions contained in the respective agreements have been met. Contributions are conditional if there is a barrier that must be overcome before the recipient is entitled to the asset transferred and the donor has the right to request the asset back if it was not properly used.

Unconditional contributions received are recorded as unrestricted or restricted, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net position if the restrictions expire in the reporting period in which the contribution is recognized. All other donor-restricted contributions are reported as an increase in restricted net position.

***Cares Assistance***

The Corporation for Public Broadcasting Board of Directors approved a distribution plan for the \$75 million of emergency stabilization funds for public media included in the Coronavirus Aid, Relief, and Economic Security Act, which was signed into law on March 27, 2020. The Station was awarded \$75,000 stabilization funds which were based on comparisons of current revenues and costs for the year ended June 30, 2020. No funds were awarded during fiscal year 2021. The funds are considered unrestricted and have no expenditure period.

**(1) Organization and Summary of Significant Accounting Policies (continued)**

***Summary of Significant Accounting Policies (continued)***

***Service Revenue***

Service revenue is recognized once the services have been provided.

***Classification of Revenues***

The Station has classified its revenues as either operating or nonoperating revenues in accordance with the guidelines established by GASB Statement No. 34.

***Income Taxes***

The College is exempt from income taxes under Section 115 of the Internal Revenue Code, as amended. As a department of the College, the Station is also exempt from income taxes.

**(2) Capital Assets**

The following is a summary of capital assets as of June 30,:

	<u>Balance</u> <u>June 30, 2020</u>	<u>Additions</u>	<u>Balance</u> <u>June 30, 2021</u>

**(3) Fringe Benefits**

Fringe benefits for the Station employees are included in the College appropriation for the years ended June 30, 2021 and 2020.

**(4) Contributions**

Contributions represent the valuation of the rental costs associated with the commercial FM radio facilities similar to those operated by WBJB-FM and installed on the Crown Castle Transmission Facility located on the College's Lincroft campus. Contributions were \$71,250 and \$71,822 for the years ended June 30, 2021 and 2020, respectively.

**(5) Operating Expenses**

The Station's operating expenses, on a natural classification basis, are composed of the following for the years ended June 30,:

	2021	2020
Compensation and benefits	\$ 575,022	\$ 557,633
Supplies and services	177,385	178,473
Depreciation	<u>-</u>	<u>2,005</u>
	<u>\$ 752,407</u>	<u>\$ 738,111</u>

**(6) Contingencies**

All funds expended by the Station in connection with government grants are subject to review or audit by governmental agencies. In the opinion of management, any liability resulting from a review or audit would not have a significant impact on the financial statements of the Station.

**(7) Operating Activities and Management Plans**

In fiscal years 2021 and 2020, the Station has experienced operating losses and had a net deficiency in assets at June 30, 2021 of approximately \$192,000. As of June 30, 2021, the Station's current liabilities exceeded its current assets by approximately \$192,000. These factors indicate that future cash flows would be not sufficient for the Organization to meet its obligations as they become due in the ordinary course of business for a period of 12 months following the date that the financial statements were available to be issued.

As mentioned in Note 1, the Station is a department of the College. As such, the College allocates certain appropriations each fiscal year. Management has determined that the College would increase appropriations to meet payment on current liabilities. As a result, concerns over the Station's operating activities were alleviated at June 30, 2021.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL  
CONTROL OVER FINANCIAL REPORTING AND  
COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS***

## **Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Trustees of  
WBJB-FM Radio  
A Public Radio Station Operated by Brookdale Community College  
Lincroft, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of WBJB-FM Radio (a public radio station operated by Brookdale Community College) (the "Station"), which comprise the statement of net position as of June 30, 2021, and the related statements of revenue, expenses, and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements, which collectively comprise the Station's basic financial statements and have issued our report thereon dated May 31, 2022.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Station's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Station's internal control. Accordingly, we do not express an opinion on the effectiveness of the Station's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Station's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Station's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Station's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
