

## VERIFICATION OF 2016 ADDITIONAL INCOME INFORMATION FORM

Student Name \_\_\_\_\_ Student ID \_\_\_\_\_

The US Department of Education selected your 2018-2019 FAFSA for a special review because there may be a conflict with the data you entered on your 2018-19 FAFSA. You reported your 2016 Untaxed Income or your 2016 Additional Financial Information as being greater than your 2016 Adjusted Gross Income (AGI). Since there is a discrepancy, you are required to complete this form, review your Checklist in WebAdvisor/Financial Aid, and if required submit copies of signed 2016 Federal Income Tax Return Transcripts and/or 2016 W2 Forms.

Review your FAFSA! If you and/or your parent if applicable, reported any of the items listed below on your FAFSA, report your actual TOTAL YEARLY (not per month) 2016 amounts below.
