

### **The Carrieann Blendowski Culinary Scholarship**

Carrieann Blendowski is a graduate of the Culinary Education Center (CEC) of Monmouth County. The CEC is a unique collaboration between Brookdale Community College and the Monmouth County Vocational School District (MCVSD). The mission of the program is to provide a quality culinary education with transferrable skills that are marketable in an ever changing industry. This scholarship was created in her honor because of her appreciation for the education she received and her ability to move forward after losing everything as a victim of Hurricane Sandy and being a single mom at the time. This \$1,000 scholarship is available to a student currently enrolled in the A.A.S Degree in Culinary Arts who submits this application and meets the scholarship criteria. The scholarship funds will be credited to the selected student's Brookdale account for tuition and fees. The scholarship recipient is required to attend the annual Brookdale Scholarship Reception.
