

## The Donna Paynton Memorial Nursing Scholarship

Donna Paynton was a proud graduate of the nursing program at Brookdale Community College in spring 2007. She passed away in September 2016 after a 10 month battle with Pancreatic Cancer. She received compassionate care – something she gave to others during her career. Family and friends created this scholarship in appreciation for both the education she received and the subsequent opportunities granted during her nursing career. The recipient must have completed a minimum of 24 credits, have a GPA of 3.0 or better, have financial need and a passion to succeed. This \$500 award is for the fall 2017 semester. Students meeting the scholarship criteria are encouraged to apply. The scholarship funds will be credited to the recipient's Brookdale account. The selected student is requested to attend the annual Brookdale Scholarship Recognition Ceremony in March 2018.
