

# Nancy McHugh Auto Tech Scholarship

Nancy McHugh works as the Coordinator in Brookdale's Automotive Technology Program. Ryan Marlowe, a graduate from the Auto Tech program in May 2016 created this scholarship in Nancy's honor in tribute to her contributions to the college and her impact on each student's life in the program.

Two \$300 scholarships will be awarded to students currently enrolled in the Automotive Technology Program who meets the following criteria:

- ✓ Must be a 2nd year student
- ✓ Must commit to being a student worker in the Tool Room for a 1 year period. If not already working in the tool room, must be approved by Nancy McHugh, Supervisor, for Student worker position.
- ✓ Must have a GPA of 3.0 or better

## Application
