

## **Global Citizenship at Brookdale**

The “Global Citizenship Project” at Brookdale aims to educate and engage students and the college community on global issues in order to improve the world in which we live and to foster a life-long commitment to global citizenship.

**Awareness – Commitment – Engagement**  
**We DARE you to CARE.....**

## **Global Citizenship**

Global Citizenship is the application of the concept of social responsibility at a global level through active participation. A global citizen is one who is connected with the concepts of globalization, participates in ways to reduce inequities, and refrains from behaviors that hinder the well-being of others.

## **Global Citizenship Awards**

The Global Citizenship Awards are presented annually by the Global Citizenship Council at Brookdale. Awards are presented to faculty and students who demonstrate a commitment to bring about awareness of global issues and who engage in these issues as part of curricular assignments. They are also presented to faculty, staff, and students who demonstrate commitment and leadership toward a global issue outside the classroom through awareness campaigns, fundraisers, and other globally focused activities. The awards ceremony is made possible with support from the International Education Center.

For more information, go to <http://globalcitizen.brookdalecc.edu>.

*Dr. Tom Berke, Chemistry*

## International Education Center

### Poster Contest Winners

1st place: Shailaja Medidi

2nd place: Richard Hinton

3rd place: Timothy Hart

This year's poster contest was devoted to the theme of "One World, One Community".

Students were invited to put that concept into artistic vision. The winning poster will be used to promote global awareness.

We would like to thank the members of the International Education Advisory Committee's Student Sub-Committee for choosing our theme and selecting the contest winners.

Elise Varon—Linda Mass—Diajuan Gao—Diane Booker

We would also like to thank the Office of Student Life and Activities for generously funding this contest.
