## TAX FORMS EXPLAINED

### **Form 1098-T**

This form is given by Brookdale to show your educational expenses for each tax year. This form is useful for U.S. citizen taxpayers. It is generally not useful for international students.

### **Form W-2**

This form shows taxable income received in the form of **wages**. It lists the total income and all the taxes that have already been withheld and may include Federal, State, Social Security and Medicare.

W-2 forms are **employer-specific**, so if you had a job anywhere you will have a Form W-2 from that employer that you will need to file your tax return.

Your W-2 is generally mailed in late January to your address on file in the payroll system of your employer as of December 31. If you worked at Brookdale, your W-2 may be available via WebAdvisor.

### **Form 8843**

Students who were in the U.S. in 2023 but did not receive any U.S. income must file IRS Form 8843 by **Monday, June 15, 2023. Everyone in F-1, F-2 or J-1, J-2 status must complete this form.** If you have dependents, each one must mail their own 8843 in a separate envelope. The instructions are on page 3 and 4 including the address where the form must be mailed:

Department of the Treasury, Internal Revenue Service Center  
Austin, TX 73301-0215

**IF YOU RECEIVED INCOME, then form IRS 8843 is due Monday, April 15, 2023, along with your income tax forms:**

### **Form 1040NR-EZ or IRS Form 1040NR (Income Tax Forms)**

Students who were in the U.S. in 2023 and received U.S. income must complete and file IRS Form 8843 and IRS Form 1040NR-EZ or IRS Form 1040NR with the Internal Revenue Service (IRS) by **Monday, April 15, 2024.**

If you worked in 2023 you should have received a W-2 (or 1099-MISC - independent contractor income) from your employer. The information on these forms is used to complete Form 1040NR-EZ or 1040NR. You can download these forms and instructions from the IRS website - [www.irs.gov](http://www.irs.gov).

*Remember to make photocopies of all forms submitted to Internal Revenue Service (IRS) and keep them for your records.*

### **TAX SERVICES**

Staff in the International Education Center do not have the knowledge to assist you with completing your tax forms. Most international students opt to use a **tax software** to file online. If you do, **make sure** that you are using a reputable product:
