

**BROOKDALE COMMUNITY COLLEGE
THREE-YEAR GRADUATION AND TRANSFER RATES
FOR FIRST-TIME, FULL-TIME DEGREE SEEKING STUDENTS**

The figures below reflect **3-year** graduation and transfer rates for first-time, full-time matriculated students. The transfer rates include National Student Loan Clearinghouse data on transfers to most baccalaureate-granting institutions. The reported transfer rates refer only to those students who *did not* graduate within 150% of time to degree completion. More specifically, if a student graduated within three years and then transferred to another institution, (s)he would be identified only in the graduation rate and not the transfer rate.

The self-reported transfer rate for Brookdale **graduates** of transfer programs (over 70%) is substantially higher than those reported below for **incoming** classes. In addition, many of Brookdale's graduates take longer than three years to complete a degree program.
