Brookdale Community College Footnotes:

1 – Brookdale students will still need to satisfy all the **remaining** areas of their Nursing Program curriculum and may end up graduating with more than 120 credits.

This degree may take longer than two and a half years to complete. BIOL-111 may be taken either before admission to the Nursing program or concurrently with NURS -160.

BIOL-111 must be completed before progression into NURS-161. The other general education courses may be taken before starting clinical courses or with the nursing courses.

Rider University:

U Students have a number of options to fulfill this requirement; courses will be evaluated on an individual basis.

For transfer credit Brookdale students must have a grade of "C" or higher in all courses listed in the Transfer Advising Guide

Please consult a Rider University Admission Representative as early as possible in the academic transfer process to maximize the efficiency of credit transfer from Brookdale to Rider.

1 – Brookdale students will still need to satisfy all the **remaining** areas of their Nursing Program curriculum and may end up graduating with more than 120 credits.

Brookdale students must achieve successful completion of the National Council Licensing Exam for Registered Nursing that results in licensure as a Registered Nurse (RN).

Requirements are subject to change. This Advising Guide is best used in consultation with an advisor.
