MISSION

Brookdale Community College opens doors to education with courage and care, guiding diverse learners toward lifelong growth and success

VISION

Brookdale transforms lives. We envision a future of educational opportunity for all

VALUES

The following values guide the Brookdale community in the fulfillment of our Mission, each bring of equal weight and importance

Compassion

We act with empathy and care, understanding that students bring complex lives into the classroom and that success requires more than academic support

Collaboration

We build trust and work together—across departments, with students, and with our community—knowing that shared effort leads to greater impact

Creativity

We imagine new possibilities and create flexible, innovative solutions that meet students where they are

Courage

We face difficult truths, challenge injustice, and make bold choices to remove institutional and societal barriers to student success

ACADEMIC ATTIRE

Academic attire dates back to the 14th century, when English universities required students to wear long gowns. As **American colleges and universities adopted academic dress**, they introduced **specific styles and colors** to represent **different disciplines and degree levels**.

HOOD TRIM COLORS SIGNIFY FIELDS OF STUDY

White | Arts & Letters

Dark Blue | Philosophy

Light Blue | Education

Salmon Pink | Public Health

Orange | Engineering

Golden Yellow | Science

Green | Medicine

Pink | Music

The **hood lining** shows the **college or university** that awarded the degree. **Gown colors** are usually **black**, though some schools use school colors, especially for **doctoral graduates**.

ASSOCIATE DEGREE | Gray Gown

BACHELOR'S | Pointed Sleeves

MASTER'S | Long, Closed Sleeves with Arm Slits

DOCTORAL | Round, Pen Sleeves, Front Black Velvet Facing, and Often Three Velvet Bars on the Sleeves (in black or a discipline-specific color)

(Adapted from the Academic Costume Code, Report of the Committee on Academic Costume, American Council on Education)
