2023-2024 Gold Star Nomination Categories

Best Advisor(s)

The best advisor is the faculty, administrator or staff member who, through the volunteering of their time and effort, can be depended on by those running a club, and knows what to do/who to talk to in order to successfully carry out the mission of the club.

Best Club

To be the best club, a club must have completed all requirements for remaining in good standing, hosted a variety of different events, as well as have exemplary involvement from the student body at large.

Best Club Leader

The best club leader is the club executive board officer who, in addition to ensuring that their clubs run smoothly internally, goes above and beyond to help plan excellent programs for both the constituents of the club and the Brookdale community in general.

Community Service Award

The community service award goes to the club or organization who has gone above and beyond in regard to volunteer service. This award combines both community service and fundraising for multiple causes and can be given to groups not associated with being an active club on campus.

General Gold Star

General Gold Stars are awarded to students, faculty, staff, or administrators who have exercised their duties in an exceptional manner by going above and beyond, they exemplify the mission of Brookdale Community College and of their specific position.

Most Active Club Member

The most active member is someone who, while not necessarily an executive officer, has gone above and beyond with their contributions to their club.

Most Successful Event

The most successful event is the no holds barred best program of the academic year. It can be planned/hosted by any campus group, including academic departments, Student Life and Activities, or a club/organization.
