

TRANSFER AGREEMENT

BETWEEN

BROOKDALE COMMUNITY COLLEGE (HONORS PROGRAM)

AND

RUTGERS SCHOOL OF BUSINESS-NEW BRUNSWICK

Preface:

Brookdale Community College (BCC) Honors Program and Rutgers Business School-New Brunswick (RBS) enter into this Transfer Agreement to facilitate the transfer of BCC students to Rutgers Business School.

Under the Transfer Agreement, BCC Honors Program students will be guaranteed admissions into a Bachelor's Degree program with third year (junior) status at RBS on the condition that they: graduate from the BCC Honors Program with an Associate in Arts (A.A.) Degree in Business Administration. The student must achieve a minimum cumulative GPA of 3.5; and satisfy all other BCC transfer requirements including the completion of: Financial Accounting*, Calculus*, Macroeconomics*, Microeconomics*, Statistics* and Business Computer Systems* (*Exact BCC course titles and equivalencies as posted on NJ Transfer *and listed below*). Students wishing to take an introductory level business course at Rutgers University in their 4th or final semester at BCC should have their 6 eligibility requirements completed by the end of the prior semester. A full time student admitted with third year (junior) status to RBS will be able to complete a Bachelor's degree in a Business Program at RBS within four regular semesters provided that the student completes the Associate of Arts Degree in Business Administration at BCC, takes the recommended course options as part of their degree, and completes the appropriate sequences of their remaining course work at RBS.

The Rutgers Business School has two distinct undergraduate programs; eligible honors students from BCC may select either the New Brunswick or Newark undergraduate program. *As the New Brunswick and Newark programs are separate and different from one another, transferability of courses and graduation requirements may be different.* A student who has been accepted and begins the Newark program will need to complete their BS degree at that campus. Students interested in the Newark program are responsible for contacting that program directly regarding transferability of courses and graduation requirements. Students who have started their business coursework at Newark will be discouraged from applying for a school-to-school transfer to the New Brunswick campus.

BCC Honors Program graduates entering Rutgers Business School under the terms of this agreement will go through RBS's transfer process and therefore must meet all applicable RBS requirements and deadlines pertaining to orientation and registration, and payment of tuition and fees. *This Agreement will be in effect for students entering Rutgers Business School-New Brunswick on or after August, 2014.*
