
NAVTA Approved Veterinary Assistant Program

Ready to start a new career?

Veterinary assistants are an integral part of the veterinary healthcare team, working under the direct supervision of a veterinarian or credentialed veterinary technician.

Class starts February 5, 2019

Come to one of our information sessions to learn more about our NAVTA approved Veterinary Assistant Program!

This **mandatory** workshop covers the requirements for this competitive program. Meet the program instructors and view the classroom and clinical setting at Red Bank Veterinary Hospital. Learn about the role of a veterinary assistant to see if this is the right career for you.

Advanced registration is necessary!
