

A Safe Space for Recovery Support

IFPR All Recovery Virtual Meetings

If you are initiating or maintaining recovery and are in need of extra support, RWJBarnabas Health Institute for Prevention and Recovery can help.

Our **All Recovery** virtual meetings provide a safe space where you can find emotional support, ask questions and connect to different recovery resources in the community. Our meetings are facilitated by certified and trained IFPR Peer Recovery Specialists and are also open to friends, family and anyone who has been impacted by substance use disorder.

Recovery does not happen alone. Join us to connect with others who are initiating or maintaining a recovery lifestyle.

For more information, please visit rwjbh.org/allrecovery and look for the Brookdale Community College meeting information.

Funding is provided by the Monmouth County Division of Behavioral Health.
