

End of Year Giving Campaign

“Invest in Student Success”

“Thanks to Brookdale, because of their generous scholarship I am able to become a history teacher and teach kids so that history doesn’t repeat itself”

Luke Kratz
Scholarship Recipient

Dear Friends of Brookdale,

Imagine your excitement upon receiving your college acceptance letter, eager to start the next chapter of your life but finding yourself having to choose between having a place to live and investing in your future.

Picture needing to make a career change but having to choose between feeding your family or creating a better life for them. These are just some of the hurdles that students of all ages frequently face.

As we approach this season of giving, we ask that you please support the Foundation’s end of year giving campaign by giving the gift of education. Your gift provides scholarships to deserving students and helps them achieve their dreams of obtaining a college degree.

Together, we are building better futures for students, their families, and our communities. We are thankful for your support.

Wishing you a wonderful holiday season!

Sincerely,

David M. Stout, Ph.D.
President

Sincerely,

Nancy Kaari
Vice President of Advancement
